Marist High School

Chicago, Illinois

Volume XII

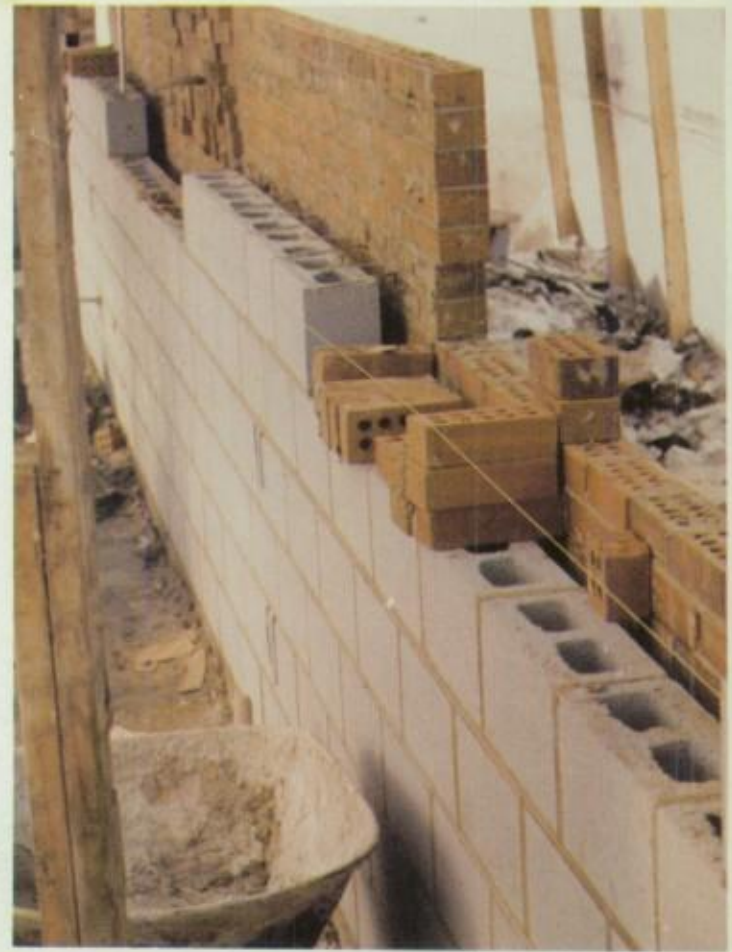

Marcellian Champagnat

Marcellian Champagnat began building a religious community of men in 1817. Today his congregation, the Marist Brothers of the Schools, numbers 8,000. They teach in 56 countries of the world. Champagnat's favorite psalm, Psalm 126, reads, "Unless the Lord builds the house, they labor in vain who build it." With this in mind, the yearbook staff wishes to present the 1978 Plainsman — A YEARBOOK FOR BUILDERS.

as the blueprints were drawn up  
and the ground was broken,  
a new marist began to take shape.

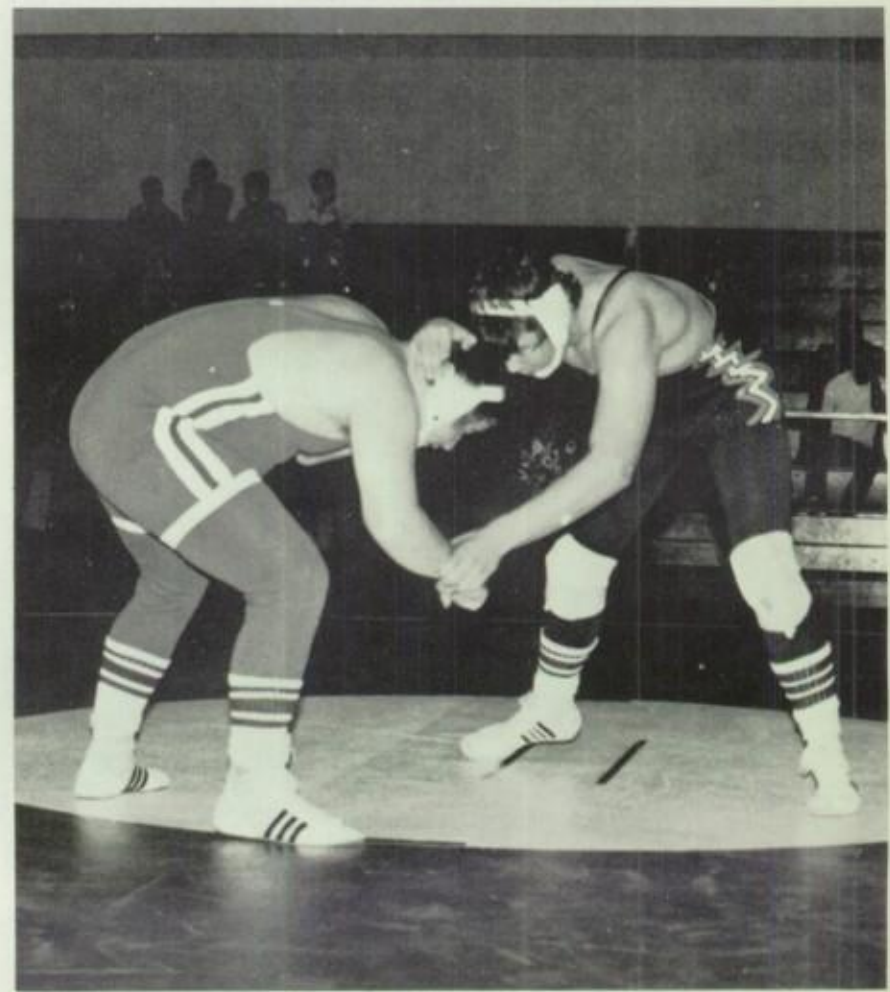

the foundation was set  
and walls were erected.  
the growth process was evident as  
the days slipped by.

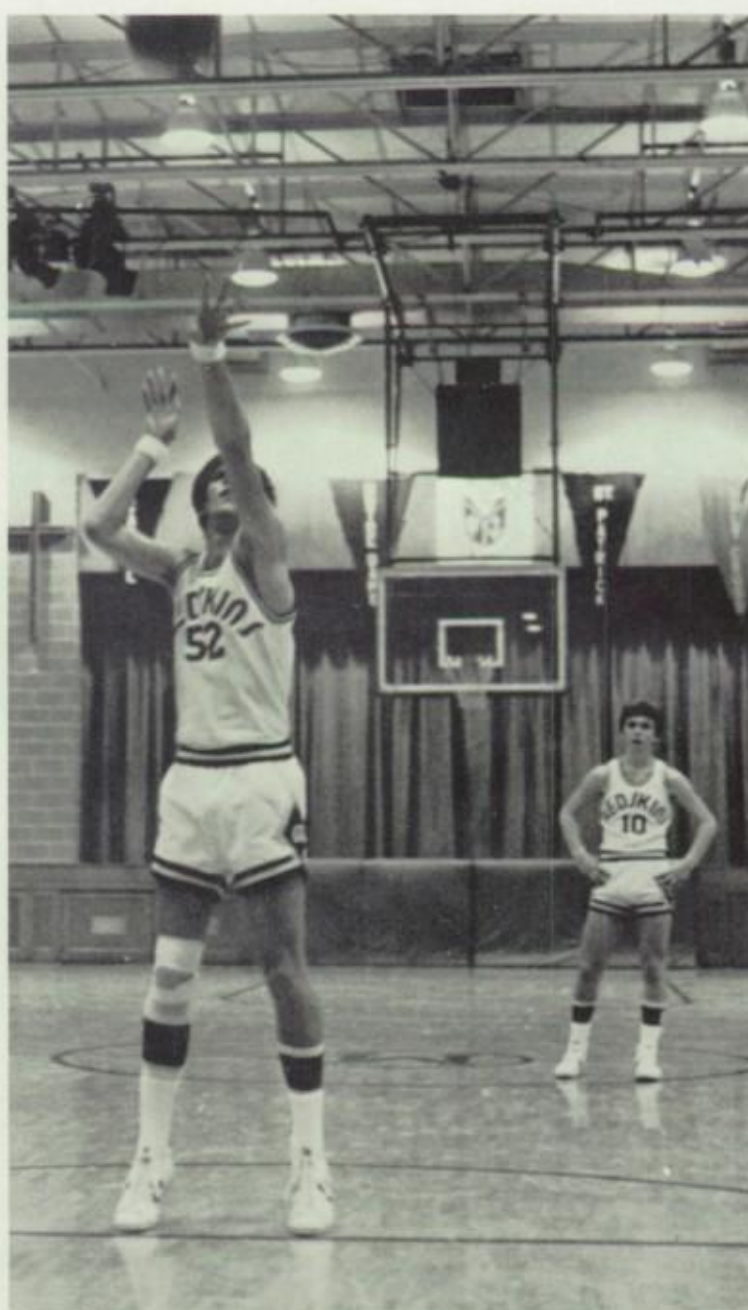

the roof was constructed  
and final touches were made.  
the building process was now complete.  
. . . but something was missing . . .

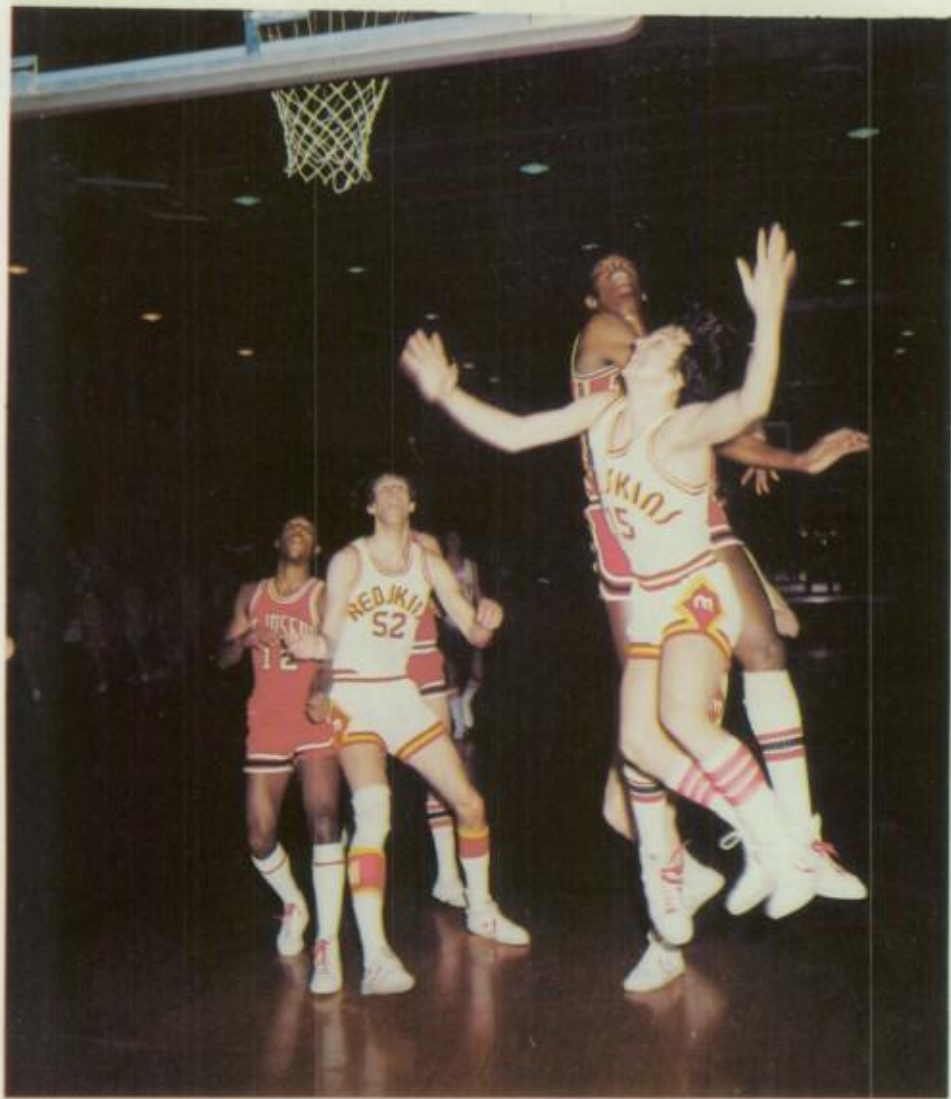

the blueprints were checked and re-checked to no avail. finding everything in place, the last construction worker pulled away.

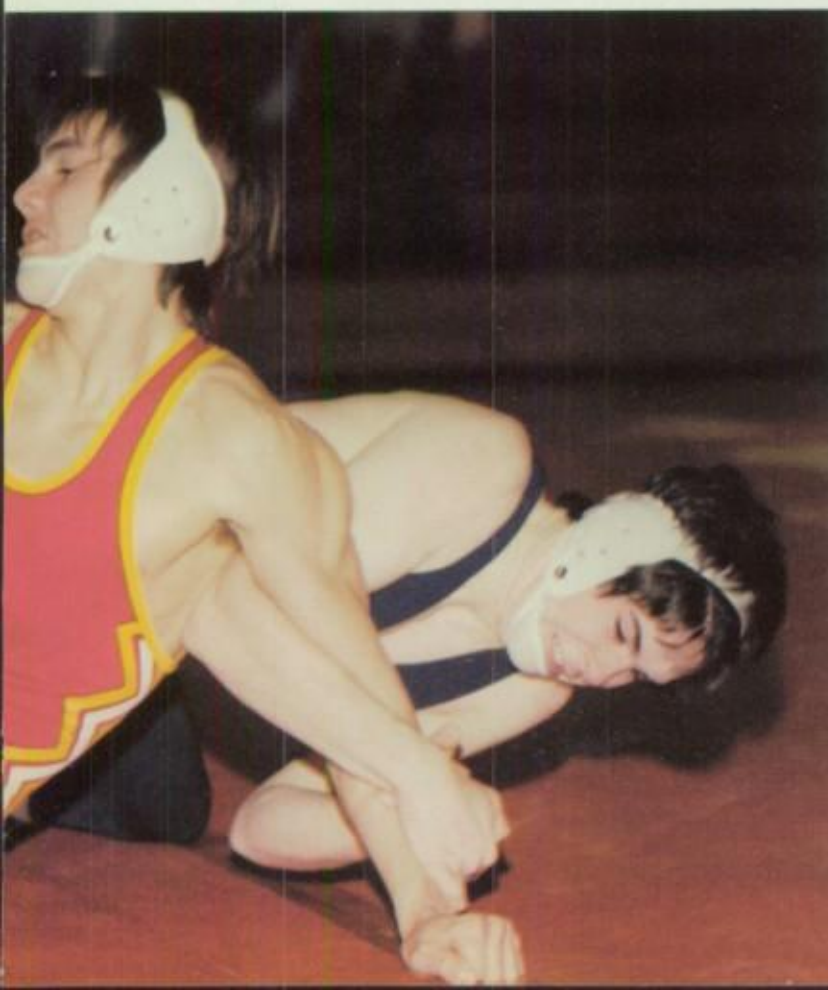

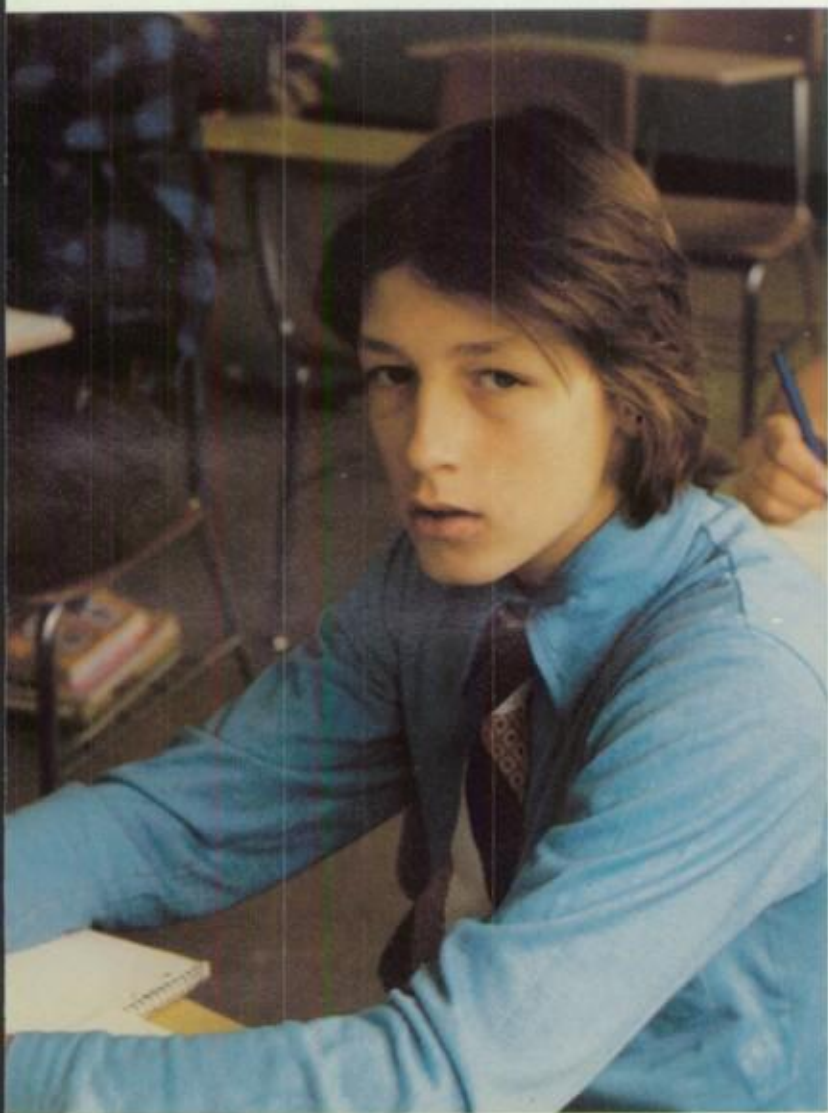

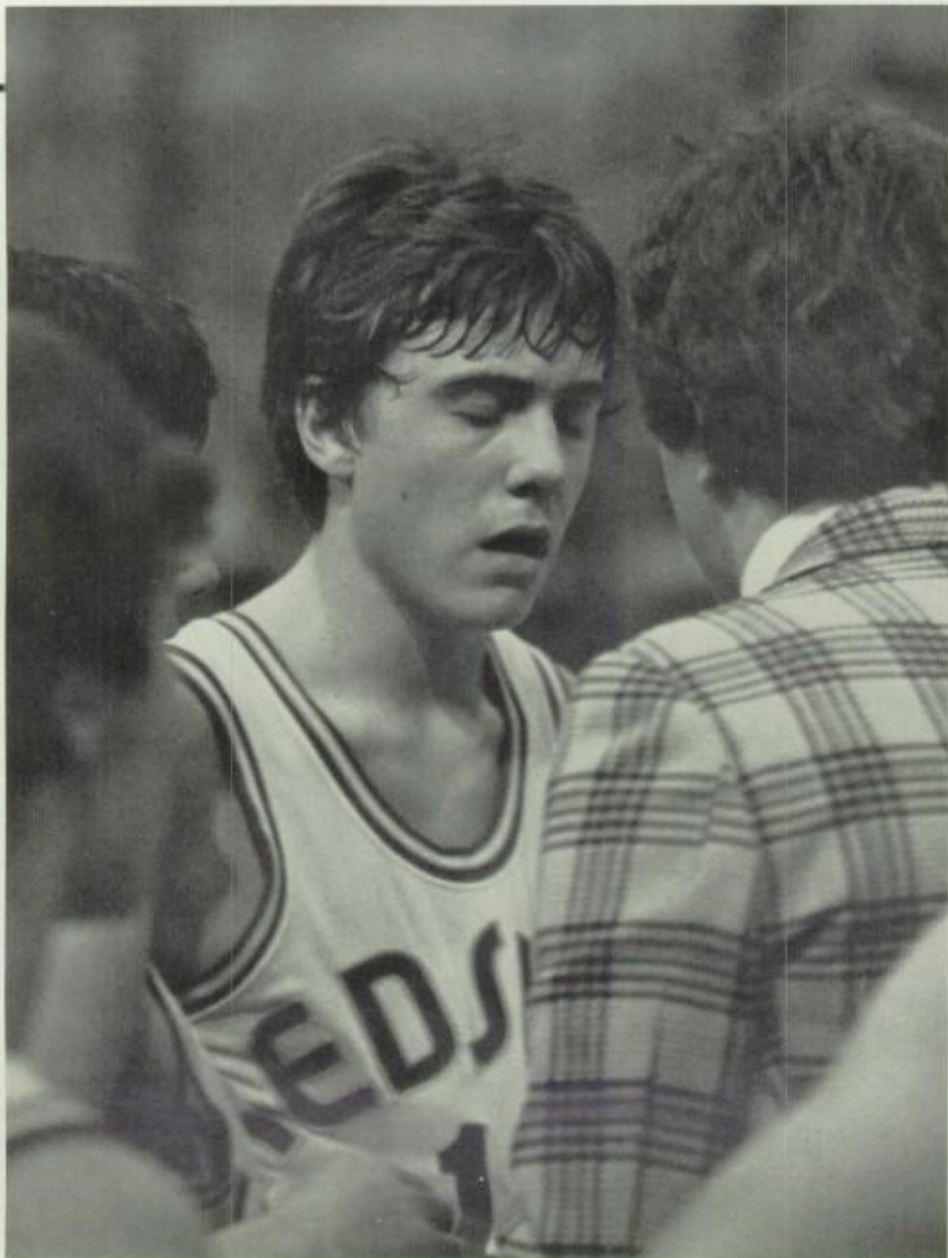

yes, something was still missing  
. . . something was missing . . .

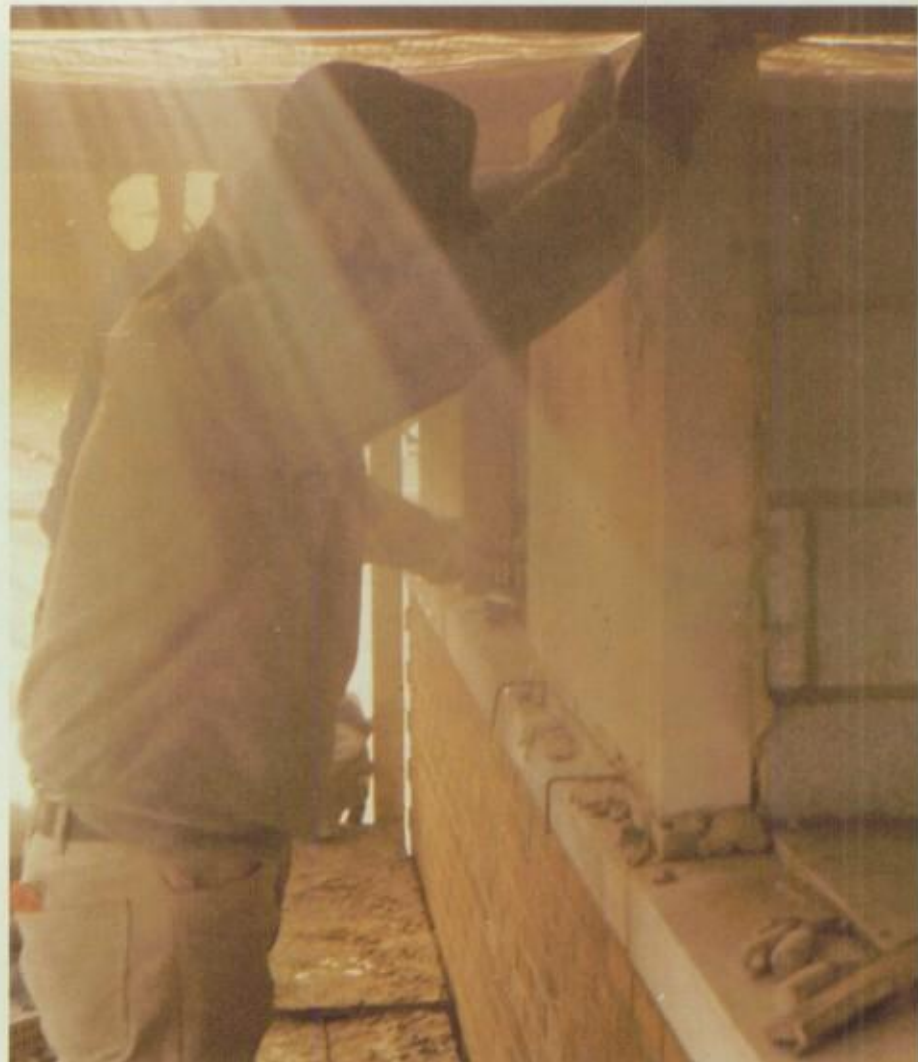

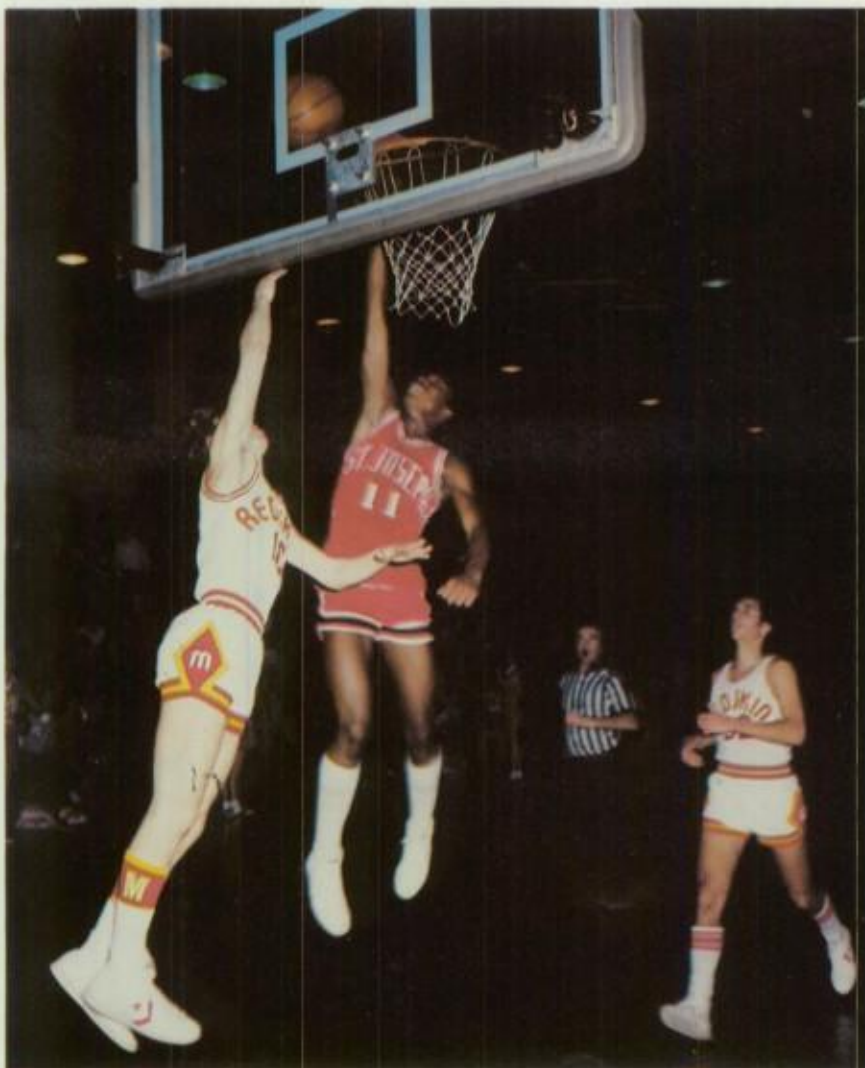

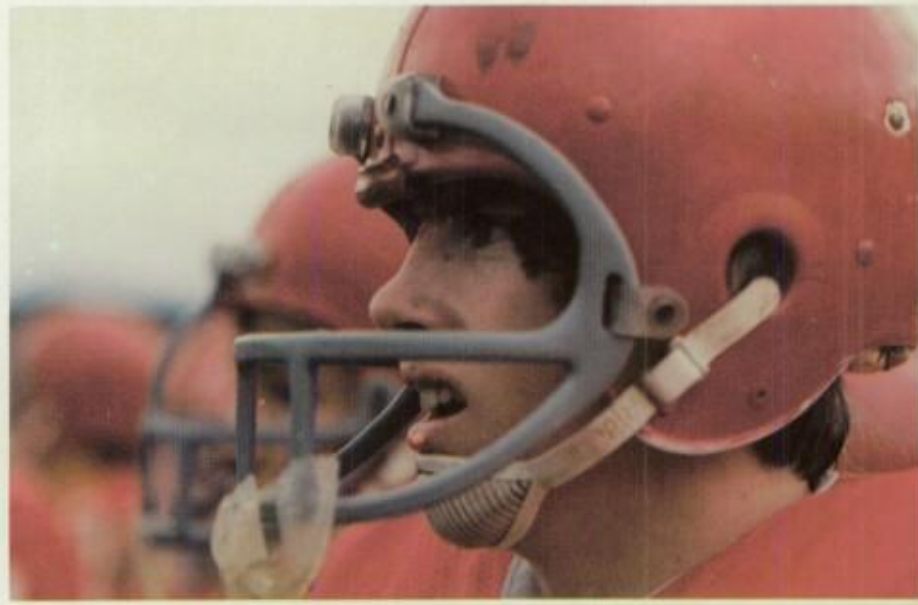

walking through the halls, one noticed silence — where was the laughter and the friendship where was the spirit and the enthusiasm where was the noise that says "hey, something is happening here!" these were the "trademarks" of marist that were missing.

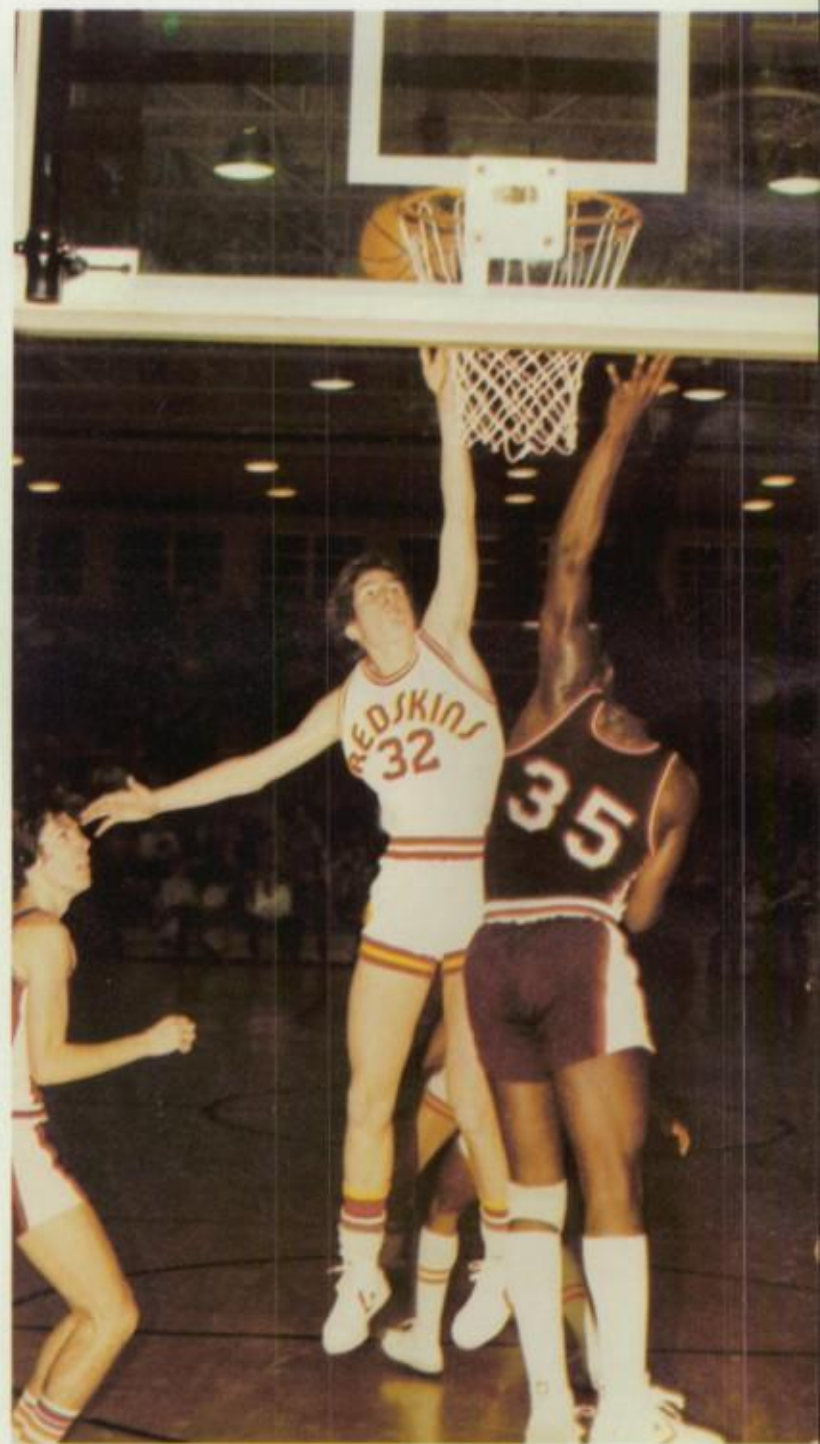

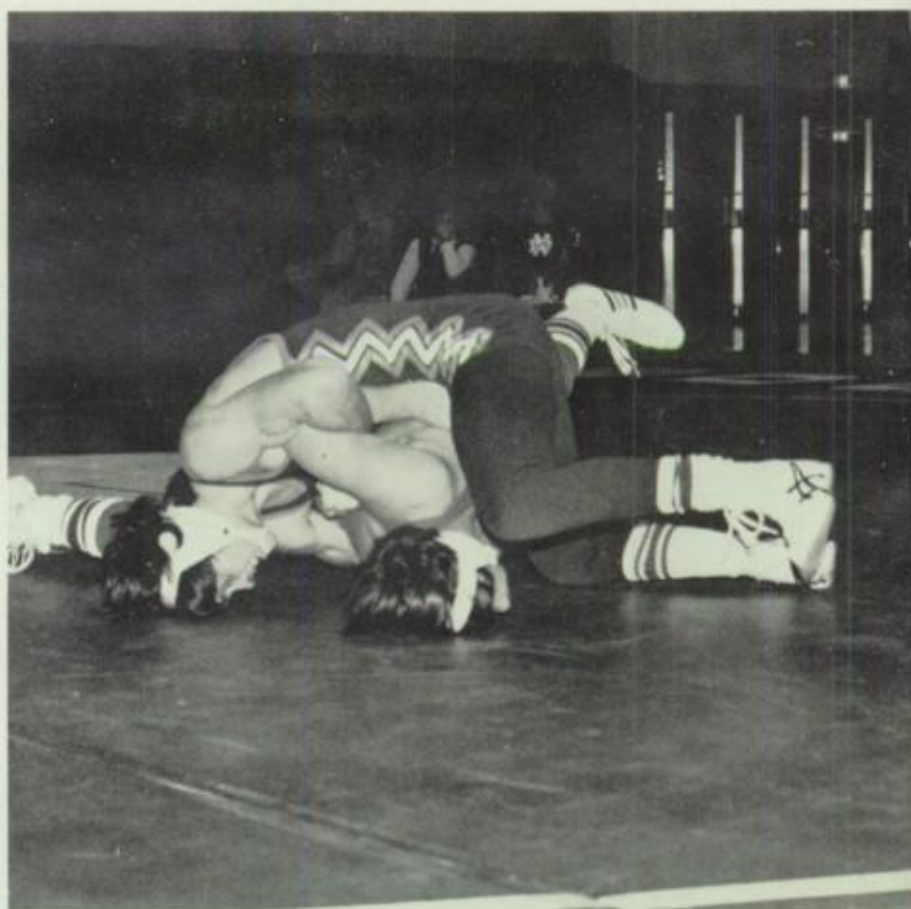

then it happened —  
 The faces that were always in the halls  
 appeared.  
 familiar names were being called to the  
 office.  
 loud conversations took place throughout  
 the halls.  
 the heartbeat of marist began to pound.

yes, the learning had begun —  
not just learning that can be  
found anywhere, but a  
special kind of learning that can  
only be found within the walls  
of marist —

the kind that  
stands the test of time and eternity . . .

ant Moderator of Senior Prom ▶

## In Memory of a Friend

**Marge  
Janulis**

The quiet unassuming life of Marge Janulis was one of overflowing love which she shared so richly and humbly with her family, her friends, and all of us at Marist. Marge poured herself out in unselfish and generous service which was the visible expression of her deep devotion to the Blessed Virgin Mary.

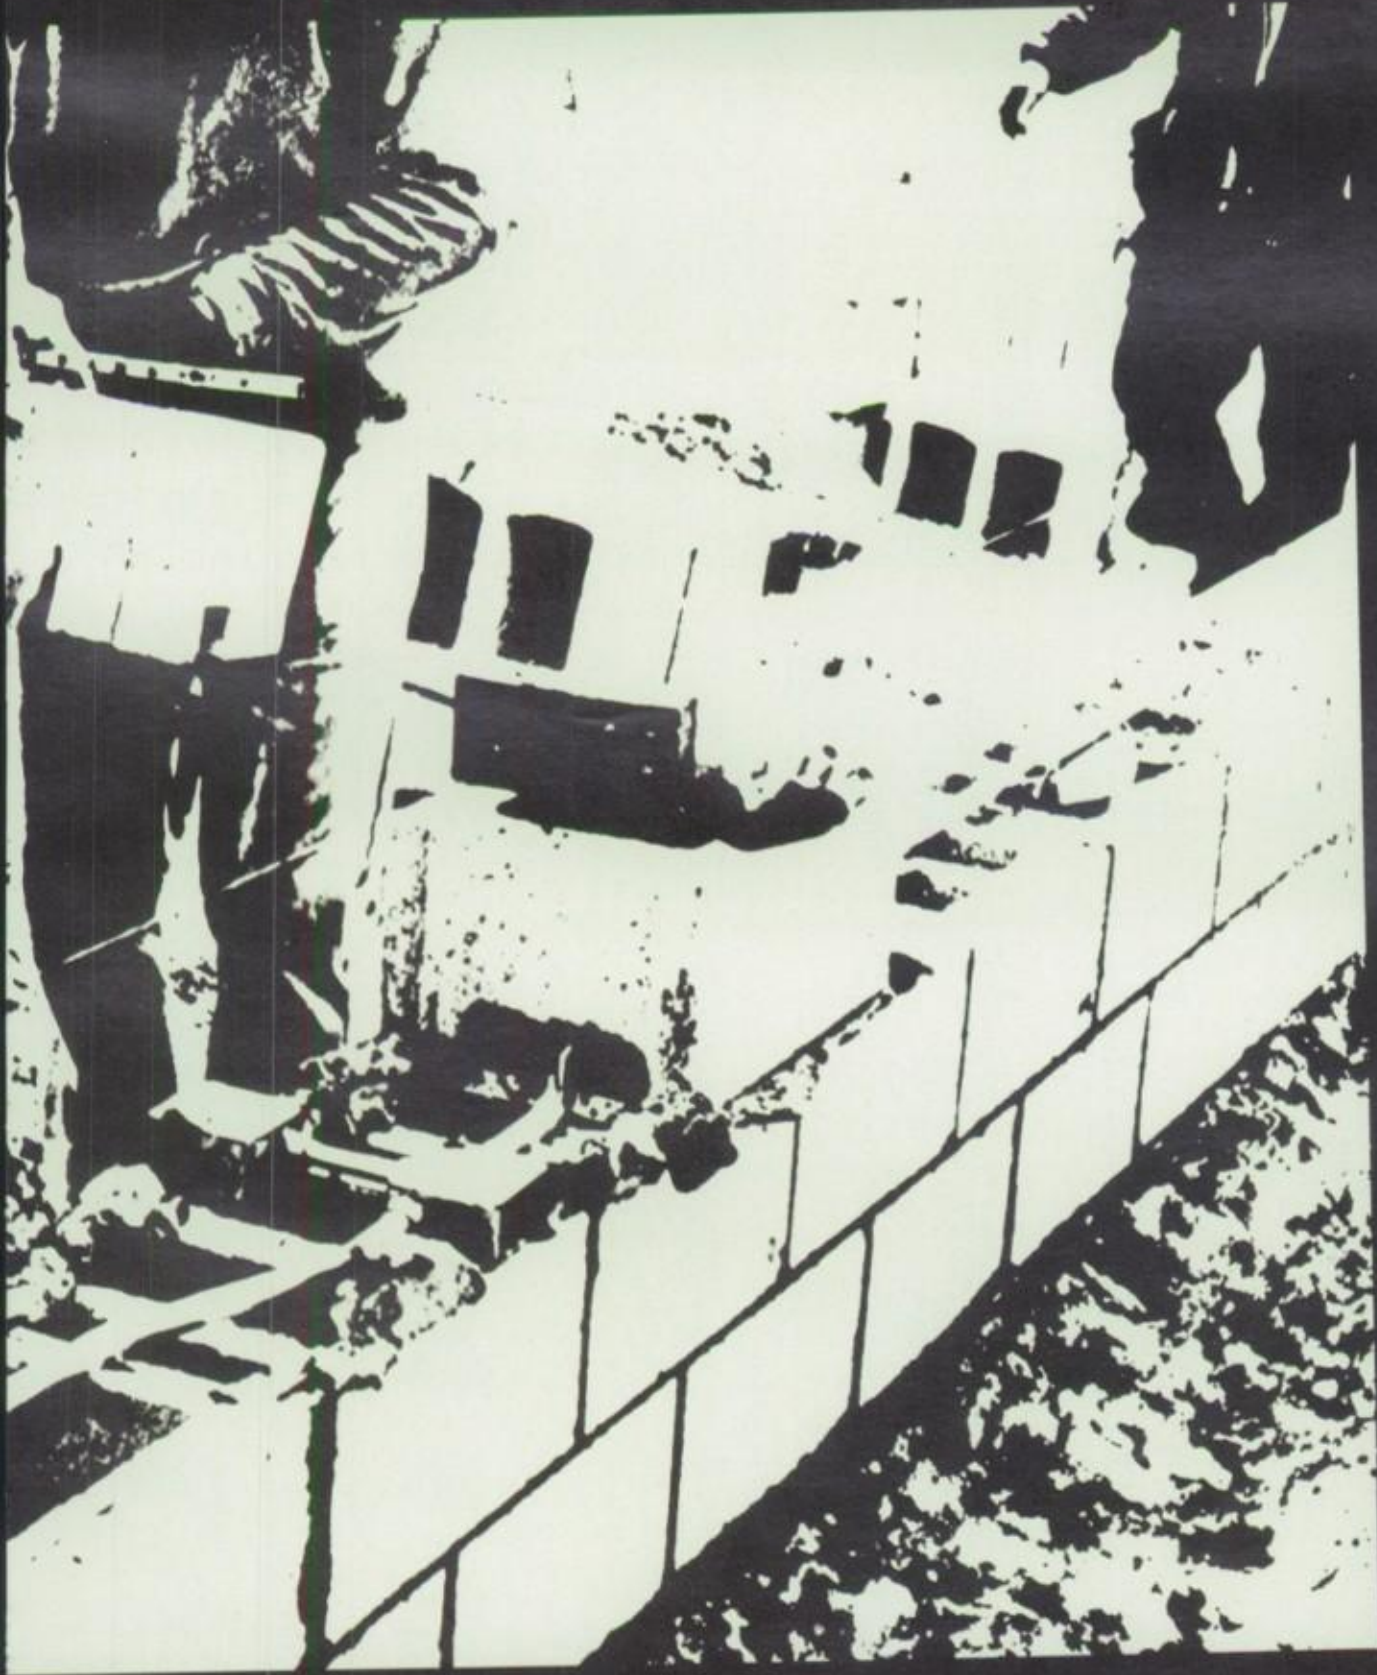

Scripture says, "Blessed are they who mourn for they shall be comforted." Marge, we mourn your absence, but we know we are blessed in the memory of your loyalty and friendship. Your spirit of joy and generous giving still permeate the AV Center and the Library which has known the presence of your beautiful life.

By Mrs. Peg Greenfield

#### Excuses for not doing homework . . .

- "I fell asleep while doing it."
- "The person I copy from is sick."
- "Charlie's Angels was on T.V."
- "I'll learn it the next day anyway."
- "The page is torn out of my book."
- "It's against my religion."
- "Temporary insanity."
- "You didn't give homework last night."
- "Our house was raided."
- "I had a big test in another class."

. . . and the all-time favorite, "I forget it."

# Michael Joseph McGrath 1960-1977

To Michael

He was a student to some. He was a teammate to others. And to many, he was a friend. He was many things to many different people, and to those who knew him he was a good friend. Mike has been laid to rest, but his spirit of determination and friendship will continue to live on through his friends. Mike never quit; he always kept pushing on. And so must we, not in sorrow, but in Mike's spirit of happiness because "the truth is that Christ has been raised from death, as the guarantee that those who sleep in death will also be raised." (1 Corinthians 15:20).

## Block "M"

On May 8, 1978, the 12th Annual Block "M" Awards Dinner honored those Seniors who dedicated their after-school time to sports, clubs, and activities for three or four years. The winners were:

Band — D. Lyons  
Baseball — R. Hallas  
Basketball — T. Tucker  
Bowling — J. Adams  
Cheerleaders — M. K. Kilroe,  
A. Morales,  
B. Ruff

Chess — L. Surdyk  
Cross Country — J. Haberkorn  
Drama — T. Howe  
Football — T. Rogowski  
French Club — G. Zolkowski  
Golf — P. Gurk

Intramurals — K. Zwiers  
NHS — C. Patricoski  
Poster Club — J. Keblusek  
Science Club — R. Kemp  
Soccer — J. Dowling  
Spanish Club — J. Senica  
Stage Crew — W. Gallo  
Student Council — W. Katzenberger  
TV Club — K. Zwiers  
Tennis — G. Temofeew  
Track — D. Tucek  
Yearbook — R. Jazdzewski

Congratulations and appreciation to all the winners, nominees, and participants for their dedicated service.

# NEW YORK

## FALL FEST '77

While the student body was reacting with cries of "What? Change Homecoming?" the Student Council was busy putting the finishing touches on the all new FALL FEST '77. The changes came about as the Council tried to re-shape the old tradition into a new, more meaningful Marist community celebration. With this in mind, new activities appeared for the first time at Marist. Joining forces with the Student Council, the National Honor Society produced, directed, and otherwise provided Marist with its first Gong Show on Thursday, October 20. Elvis McKinney and the Hound-dogs, managing to escape ungonged, collected the grand prize of \$22.16.

Friday, October 21, was designated as Spirit Day — a grub day with a voluntary donation made to the Marist missions. In all, \$375.00 was collected. Friday afternoon saw the return of the Run for Marist Marathon with a total of 35 runners completing a grueling eight mile course. After collecting their pledges, the runners presented Brother Anthony with a check for \$1000.00 to be donated to the building fund. To complete this activity-packed day, Friday night was billed as a Beatles night complete with Beatles films, soundtracks, and the best Beatles band in the country.

Saturday, October 22, saw some remnants of the old celebration with the traditional football game, this year played in our new stadium, followed by the Fall Fest semi-formal, "The Sun's Coming Up." At this dance, Marybeth Brennan, a Senior at Mother McAuley, was crowned Fall Fest Queen.

It was an exciting week. It was lots of fun. Fall Fest Chairman, Jim Jacobsen, ably assisted by Councilmen Chris Patricoski, Ron Davies, Bill Katzenberger, Joe Bentley, Ed Halleran brought something new and exciting to Marist.

## From Classical . . . to Broadway . . . to Rock

With a record number of 129 bandsmen in 1977-1978, the Marist High School Band experienced its most successful year in its fourteen-year history. Five superbly executed half-time shows were the result of many long, arduous hours of practice. As quickly as the marching season ended, the band assumed its concert nature in preparation for the annual Christmas Concert which included a variety of music ranging from classical to Broadway to rock.

The Spring semester saw the band begin its preparation for their three state, 2500 mile tour of the East coast. Playing seven concerts in four days, the band brought its music to seven Marist Brother's high schools. The tour culminated with the band's return to Chicago and the presentation of the annual Spring concert.

Thanks to the fine leadership of the senior band members and the guidance of the phenomenal Mr. Frank Manna, the band was able to grow to new heights in the areas of talent, capability, and fraternity.

## A LONG SEASON

Marist's Varsity Football team did not have a winning season score-wise, but they did win the respect of the faculty and their fellow students. They dedicated their long hours of practice to the memory of Michael McGrath. They were plagued by injuries, and lost some close games. But these are not excuses, merely setbacks. They look to the next season with brighter hope, and a stronger team.

# FROSH-SOPH FOOTBALL

## LOOK FOR SUNLIGHT

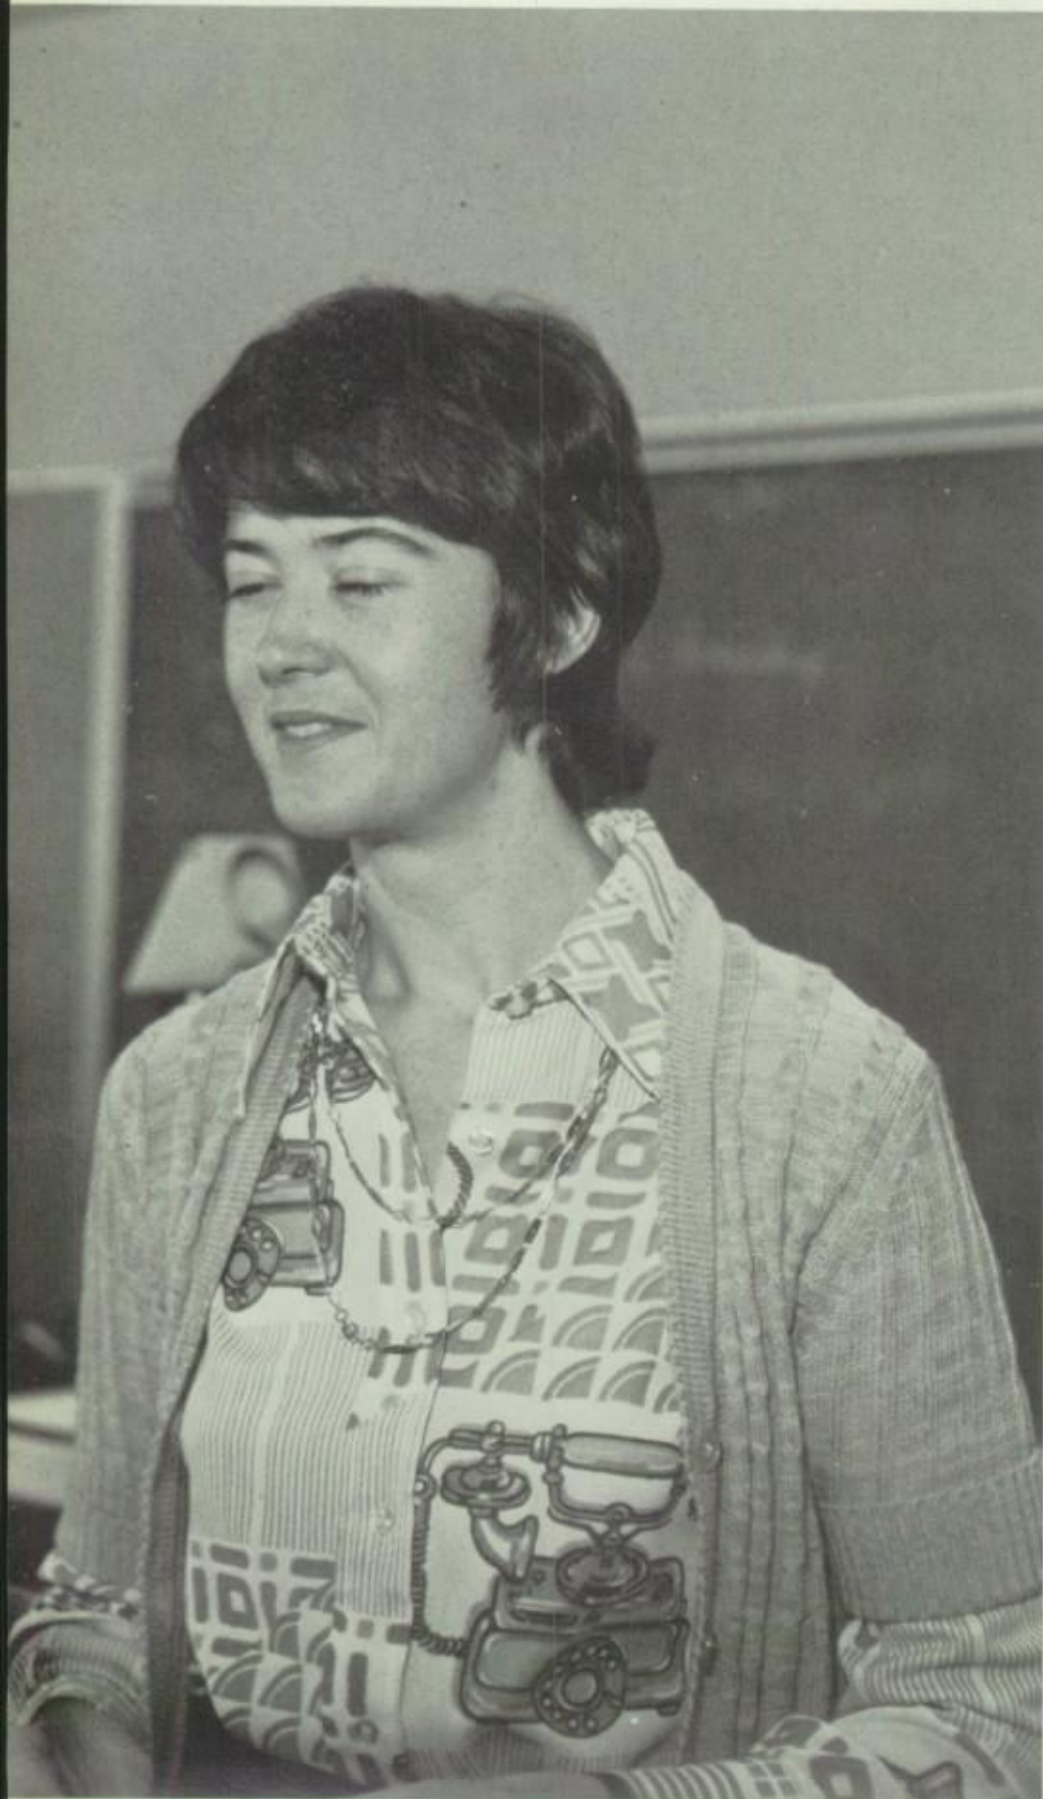

The Sophomore football team enjoyed a fine season finishing with a record of 7-1-1. Contributing factors in the team's success were hard work, pride, desire, and total unselfishness. The highlight of the season occurred at Notre Dame when, with three minutes left in the game and trailing by two touchdowns, the Redskins staged a furious comeback to pull out a 22-20 victory.

The two-year mark of the football class of 1980 now stands at 15-2-1. The main goal of the team members is to improve upon that record in the next two years.

The Freshman football team started out slowly when they lost four out of their first five games. All the games were fiercely fought and very close. They lost 2-0 to Notre Dame, 12-8 to St. Pat's, and 6-0 to Carmel. They quickly turned things around at Holy Cross and defeated them 21-12 to knock them out of first place. The next week they beat St. Joe's 41-6 and finally ended the season by trouncing St. Viator 26-7. They ended the season in championship style by winning the last three games and finishing in third place.

Caught sleeping on the job.

...NEXT!!?...

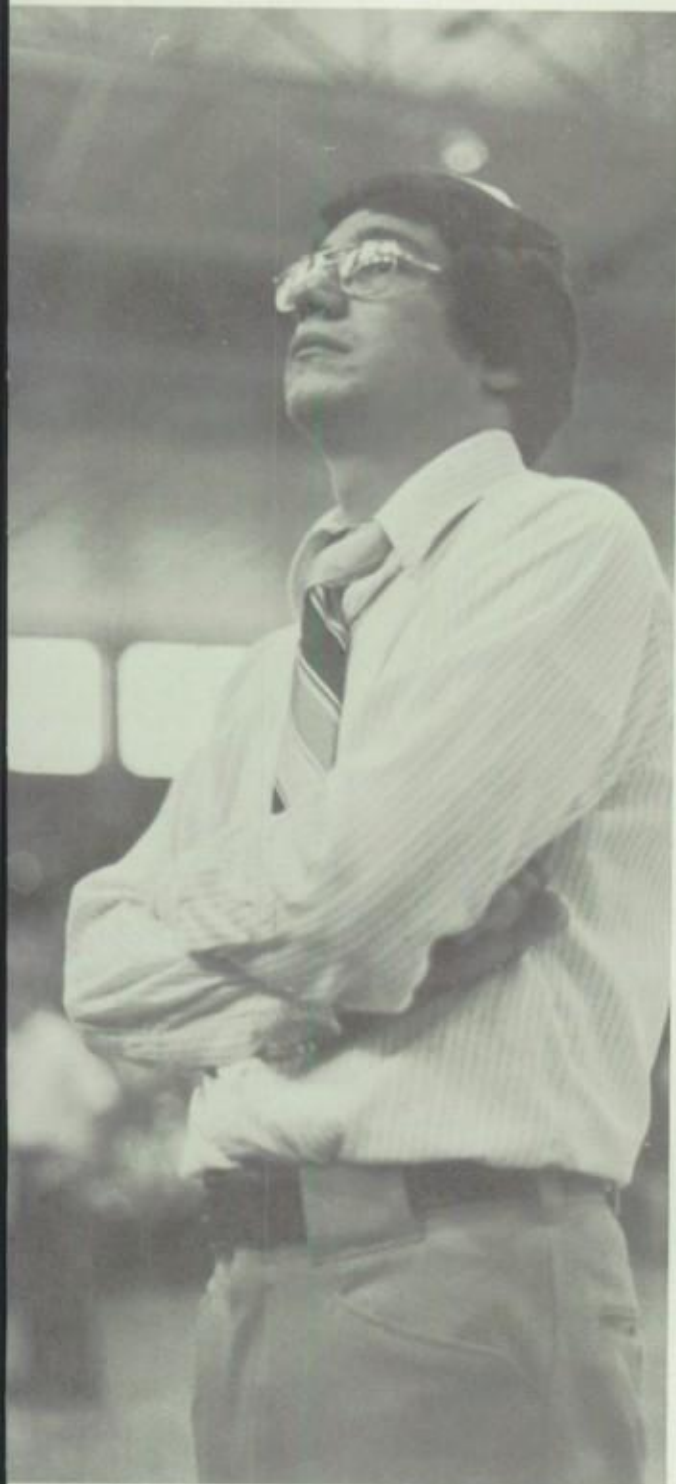

No, Pujia, I won't do another yearbook commercial.

The Thomas' at home.▶

Faculty winner of the Mr. Brazen look-alike contest.

You play that song "Short People" again and I'll bust your face.

You make fun of my shorts, and I'll make fun of your accent.

# A Time to Discover . . .

Retreat: to withdraw — a place of  
seclusion

Encounter: to meet; to come face  
to face with

Although these are definitions of what the Retreat/  
Encounter Program is all about, they are so cold and  
simple compared with the warmth and complexity  
involved. The time and effort put into them is only  
equaled by the experiences and friendships that are  
formed. The retreat is a two-year Frosh-Soph program  
where for one weekend a Freshman or Sophomore  
takes time out of his regular world for new things to  
happen in his life. The Encounter Program for Juniors  
and Seniors is the same. For those who have made a  
Retreat or an Encounter this year, no explanation is  
necessary; but for those who haven't, no explanation  
can do what an actual Retreat or Encounter could.

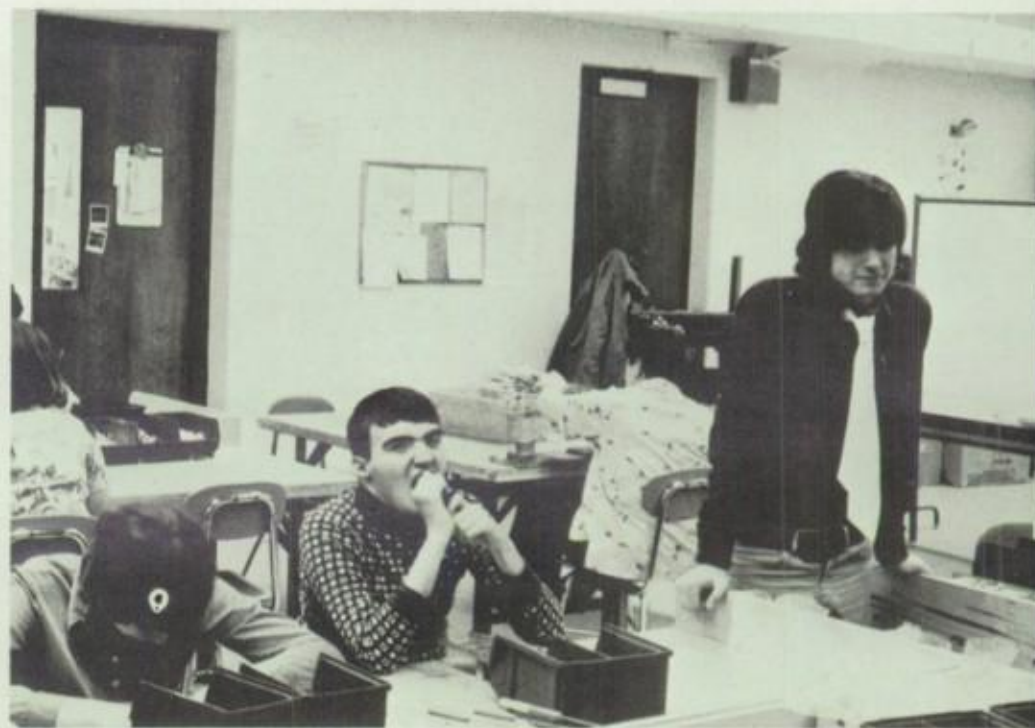

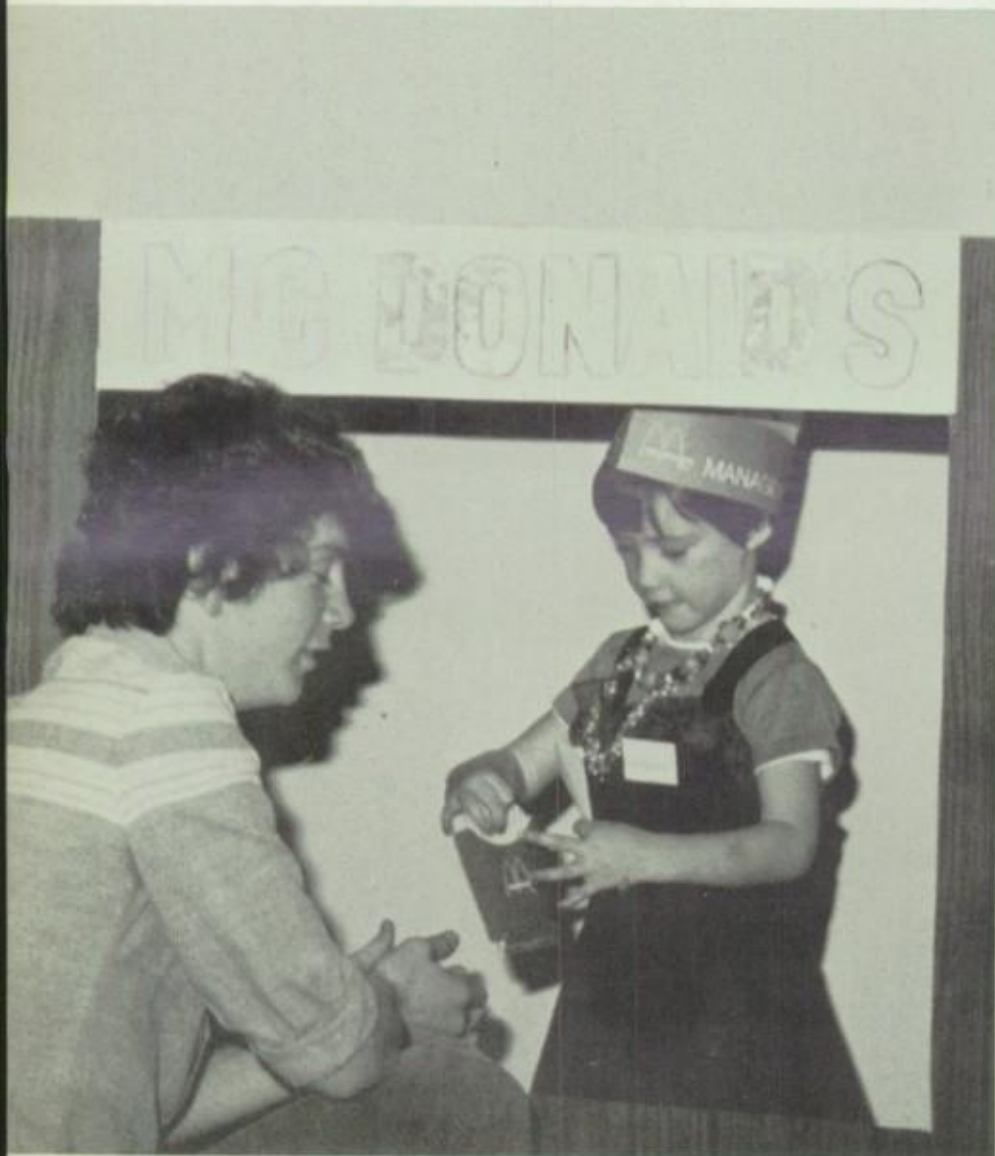

**A Time to  
Think . . .**

# PEOPLE HELPING PEOPLE

A natural outflow of a truly Christian community is the concept of service. Marist's Senior Service program, an elective of the Religion Department, allows seniors the opportunity to get involved with people outside their normal sphere of influence. Participants of the program get the chance to serve as teachers in elementary education at St. Linus and McCauley Little School, as teacher aids in special education at the Park Lawn School and as physical rehabilitation aids at the Americana Rehabilitation Center. As a member of the Senior Service Program, Marist's seniors are participants, not observers. These various areas of service aid the student to widen his perspective on humanity and allows him to test his own potential as a true minister to others — the aspect of our call as Christians that is so much a part of the Gospel message.

"The experience of Christian Community leads naturally to service. Christ gives His people different gifts not only for themselves but for others. Each must serve the others for the good of all."

**To Teach as Jesus Did — The American Bishops**

# PELEMANIA

Marist High School Varsity soccer team closed the 1977 season with an overall record of 7 wins and 7 losses. In conference play, the team was 2 and 6, playing very close games (with some going into double overtime), against such powerhouses as Quigley South and Homewood-Flossmoor. This year's record becomes even more respectable when one considers that the team won only two out of fifteen games in 1976.

It was a genuine team effort all the way, frequently sparked by outstanding individual performances by such players as Seniors Joe Dowling, Mike Embach, Bill Boyd, Ray Lang, Andy Pertchi, and others. On the Junior level some of the outstanding players were: Mike Hogan, Jim Bergeron, Danny Radz, Bruce Turner, Keith Amendola in goal, and others.

# FROSH-SOPH SOCCER, JUST FOR KICKS

This year's Sophomore Soccer continued its moves toward growth and development. Although the record shows the team breaking even, the actual performance on the field saw more skill and talent than ever before. With the offensive drive of Andy Karas, Dan Nolan, Mike Sabal, and Brian Quealy, and the defensive strength of Steve Black, Chris Bannon, and goalies Mark Sykora and Mike Szczniewski and an overwhelming team effort, the team looks forward to a promising future of success and accolades.

The Fall saw over 52 new freshmen try out for Soccer, more than in any previous year. With much hard work and determination they were able to put together a respectable season of 3-3-2. The year was a learning experience since many members of the team had never played soccer before. However, by October the Freshman Soccer Squad blossomed into a spirited team.

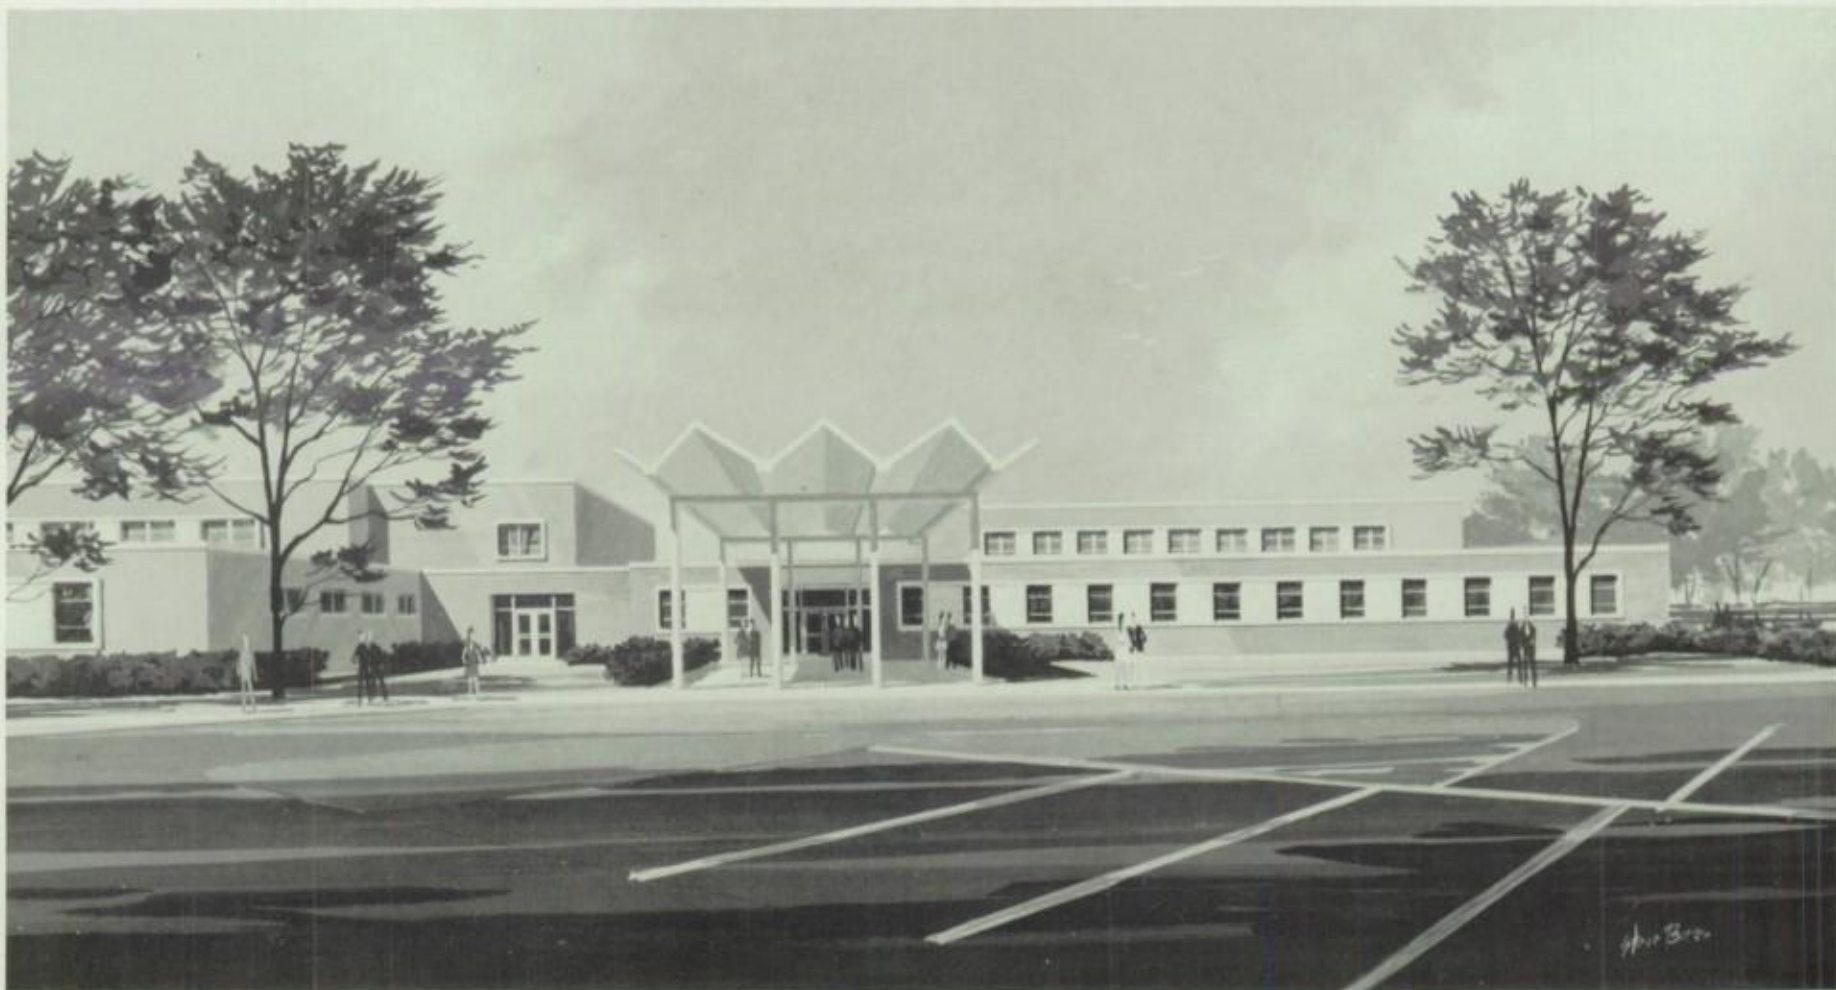

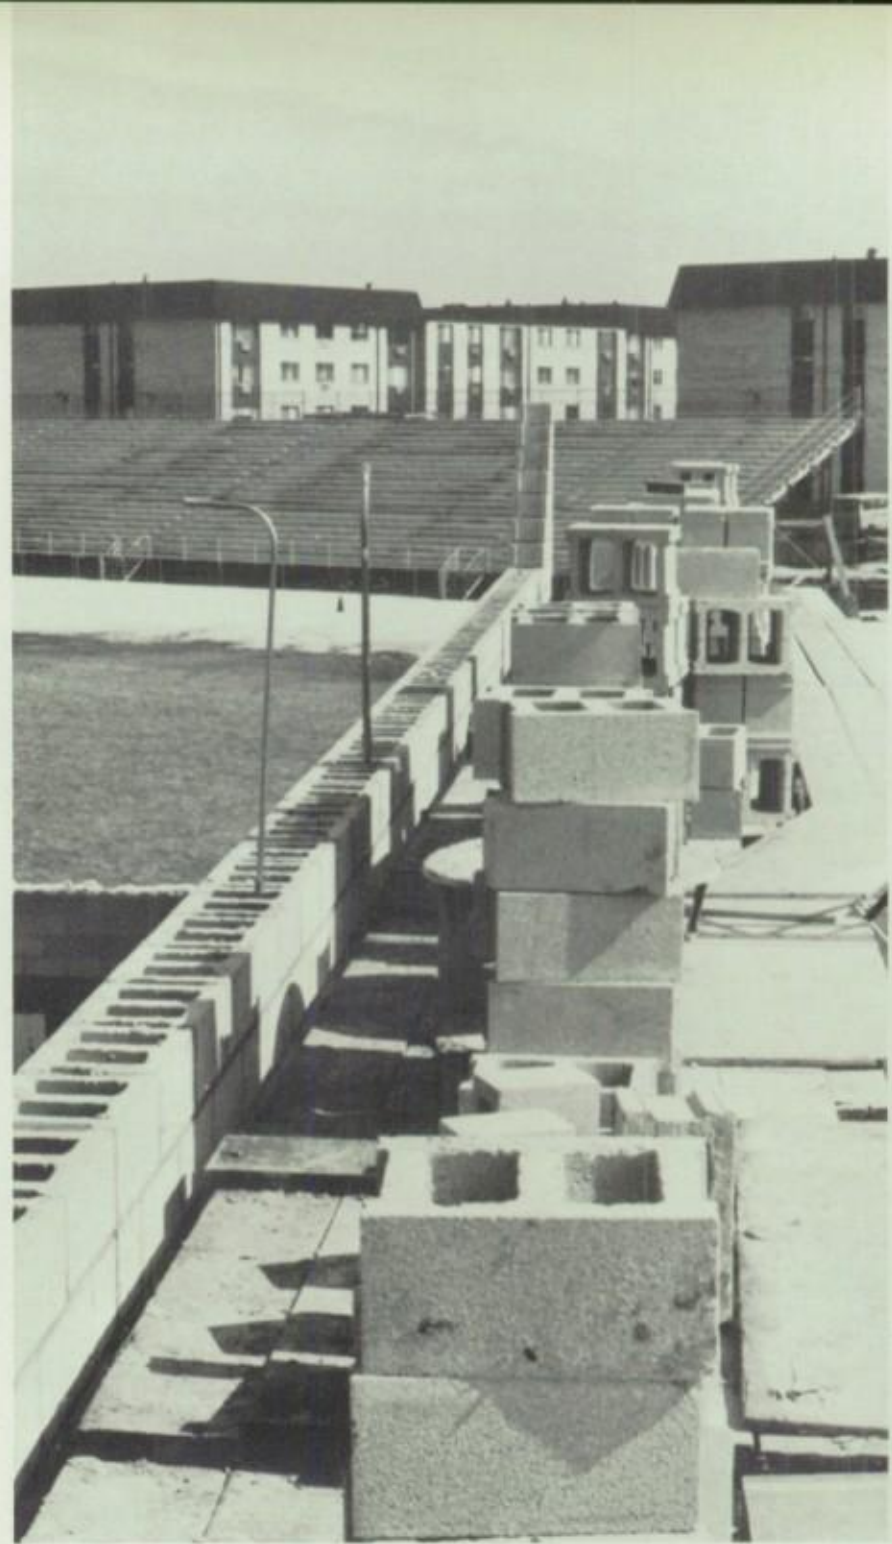

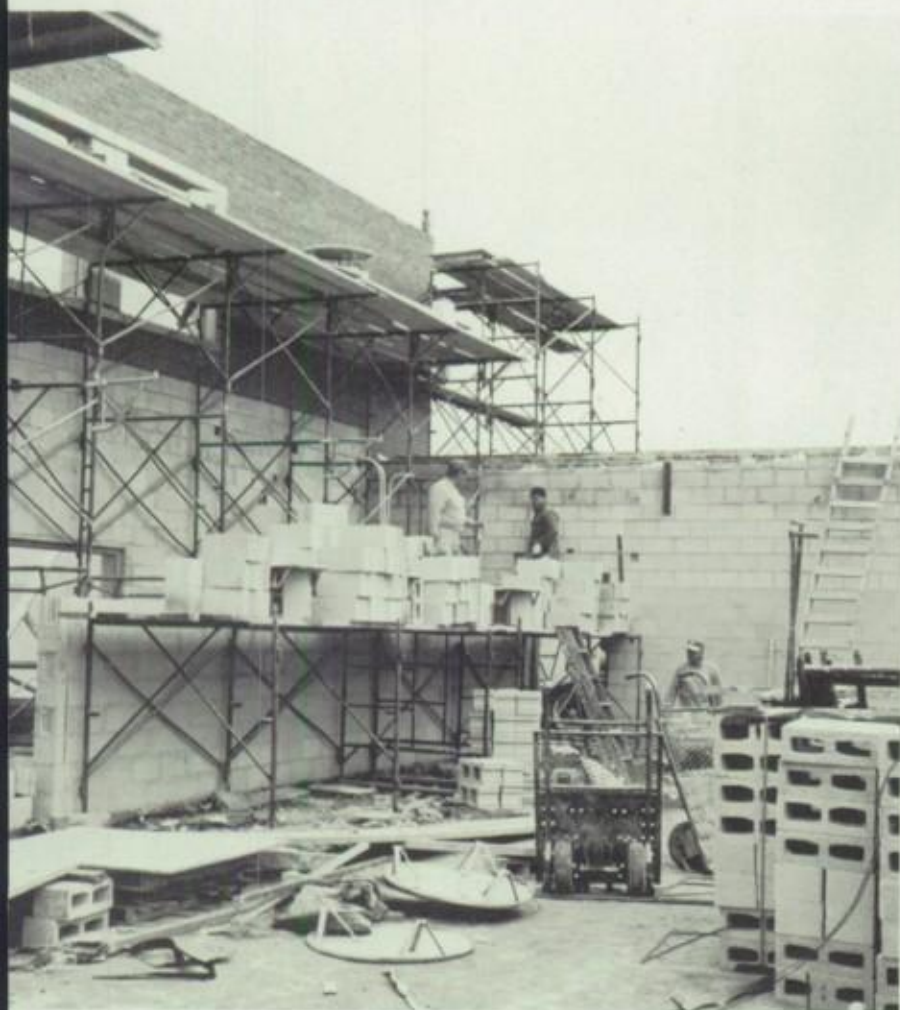

## . . . More Than Bricks

The Construction of a building needs certain essential materials: blueprints, bricks, cement, lumber. When the foundation is dug and the cement is poured, there is a basis for the entire structure. As construction proceeds, the floors, walls, and ceilings shape up, and the general framework of the edifice is visible. Structure is now functional. We see this building process occur daily at Marist. Each individual forms a "brick," and many bricks joined together constitute unity of structure. Like contractors, teachers and administrators draw up "blueprints" by organizing clubs and academic courses. Through years of study, adjustment, and involvement in activities, a solid foundation, an "esprit de corps," — a camaraderie begins to form among students, administrators, and staff. Commitment and dedication of administrators, staff, and students give birth to a distinct group of individuals who establish themselves as one unified community. The mortar that unifies our structure and cements the Marist community is love, trust, loyalty, and understanding, summed up in two words — school spirit. It is this SCHOOL SPIRIT — better known as the unique MARIST SPIRIT — which furthers growth in EDUCATION FOR TIME AND ETERNITY . . . a BUILDING not only of mortar and brick — but a BUILDING OF MEN.

## Q: WHAT IS THE BEST SPECTATOR SPORT AT MARIST?

**A:** One says the best is the contact of football, another says it's the excitement of basketball, while yet a third says it's the agility of soccer. Yes, all of these are great spectator sports, but if every organization were taken into consideration, a small group consisting of nine members would lead the league. These nine bring the crowd to their feet at a rally. These nine bring a smile to everyone's face even when the team is down by 15 with only seconds to go. These nine young talented people represent Marist every time they perform. Many of the students know all nine by their first names. These nine also combine the contact of football, the excitement of basketball and the agility of soccer into one spirited activity. If anyone has been even semi-conscious at any time this year, he probably realizes by now that these nine comprise the MARIST CHEERLEADERS.

## Slip Slidin' Away

Fairbanks, Alaska? Duluth, Minnesota? No, Chicago, Illinois! This is the way Chicago looked after one of the city's worst winters. Sub-zero temperatures, frequent snowfalls, and icy blasts of wind were all characteristics of a normal day this winter. The city was subjected to an unprecedented 80 inches of snow, the most in Chicago's history. Everyone felt the effects of mother nature. Students waited for buses that never came. Teachers' cars were barricaded behind snow-packed garage doors. Everyone experienced some form of cold or flu throughout winter '78. Some of the more visible marks left by this winter were the low attendances in school in contrast to the high attendances at ski lifts. A good snow-ball fight could be found almost anywhere. But eventually the snow melted and winter '78 was a memory recalled only by potholes and pictures . . .

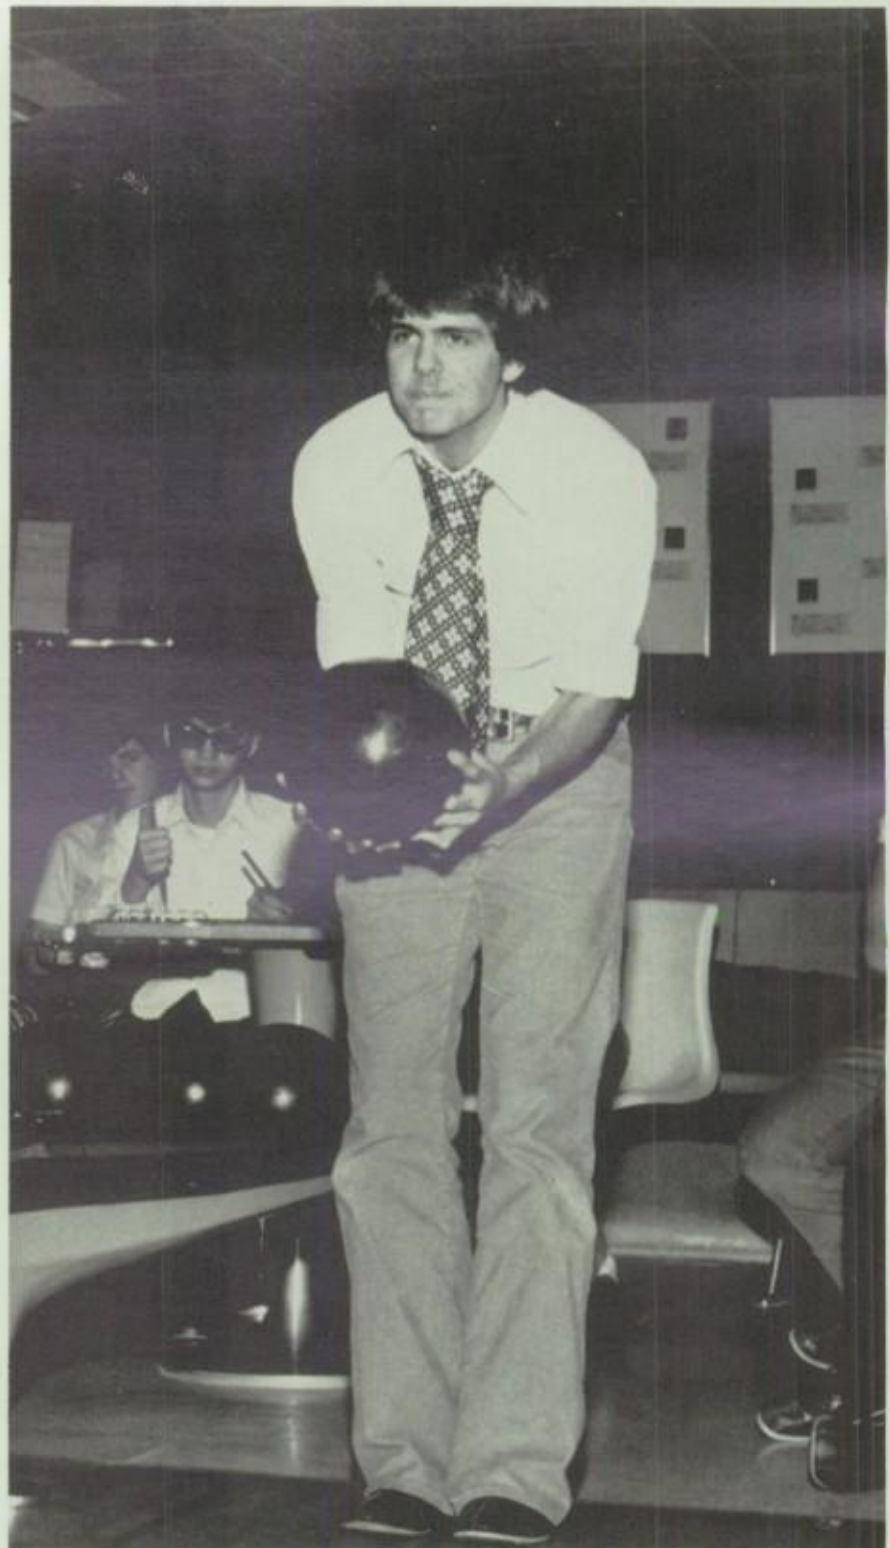

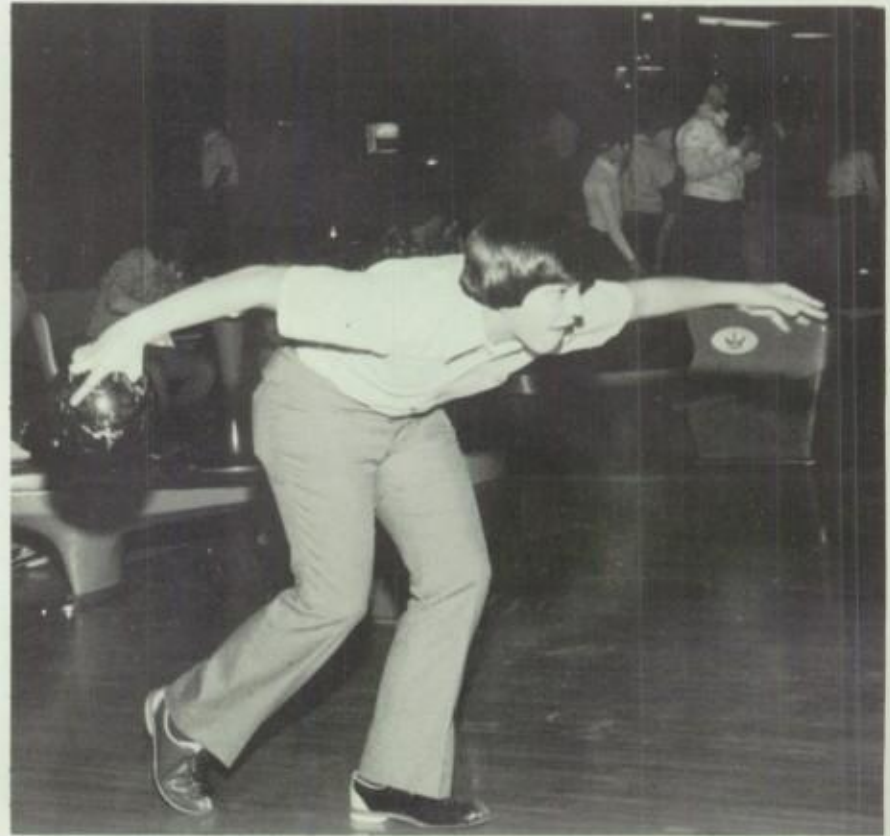

## ON STRIKE!

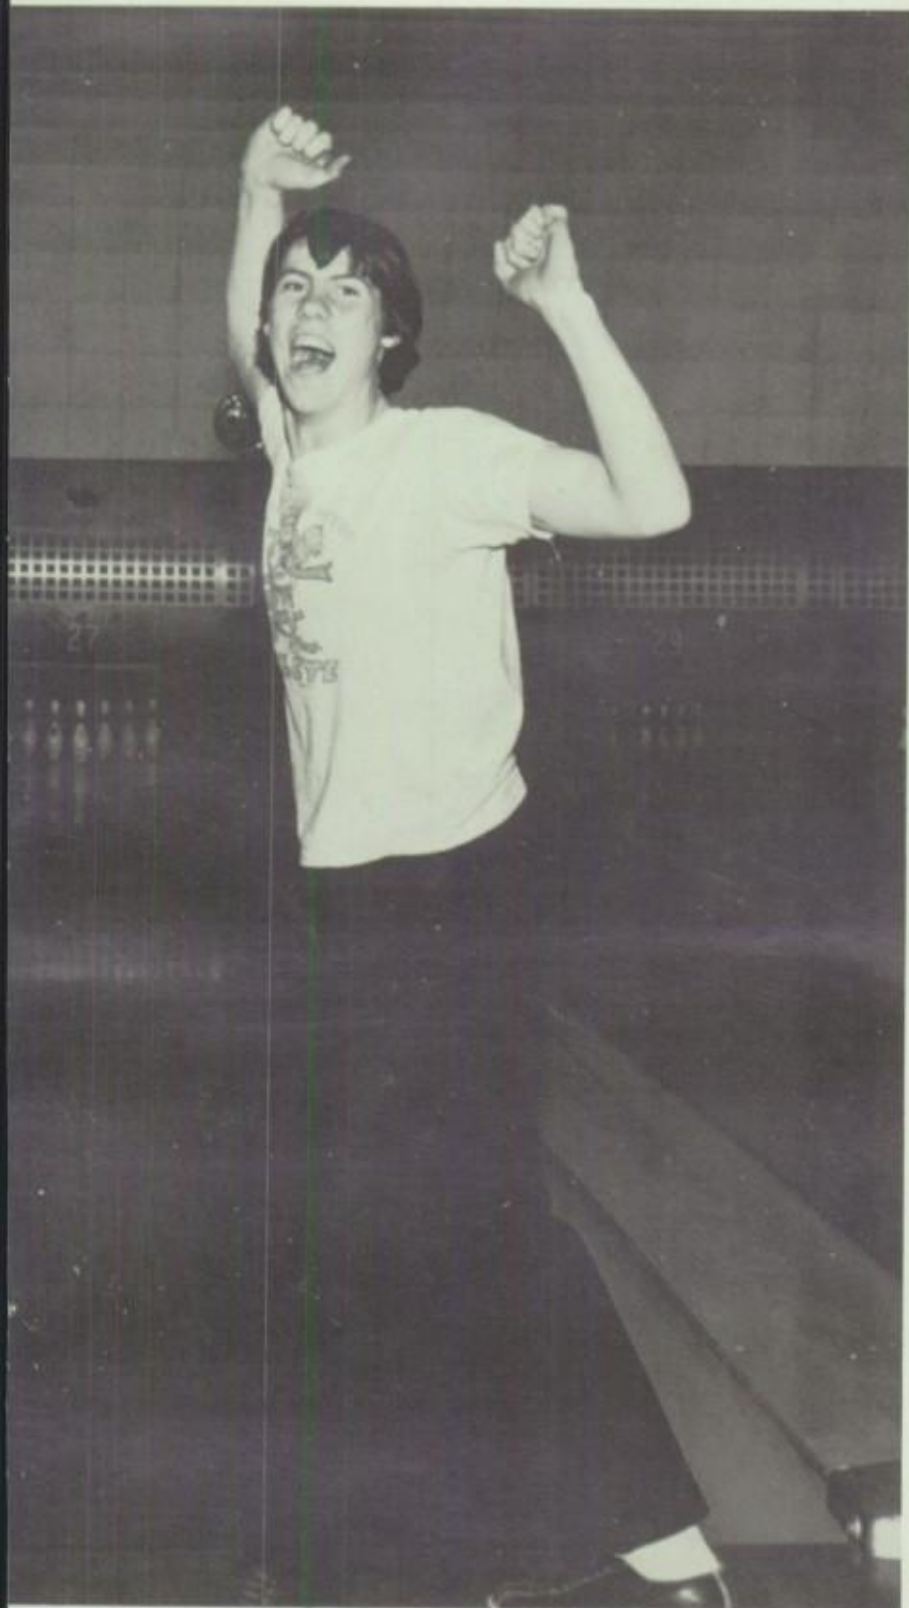

- . . . In 47 nations there are over 60 million bowlers.
- . . . Bowling was invented by German religion leader, Martin Luther.
- . . . Tokyo World Bowling Center has 225 lanes.
- . . . Marist High School has bowled at the Branding Iron for 14 years.

Maybe this last fact is not as amazing as the rest but it is just as important to Marist and its bowlers. Bowling is one of the few sports in which most anyone can participate. Where else can one find the experienced bowler with all the latest equipment throw a gutter ball, and the inexperienced bowler throw a strike? The Thursday league provided not only experience in meeting new people but also an occasion to have fun.

Besides the league, Marist also has a team with a record this year of 24 and 36. Thanks again to Bro. Huck and Bro. Hank Sammon for making this bowling season possible.

# CONFERENCE TROPHY — 4th YEAR IN A ROW

This year marked the fulfillment of the goal that many Marist Cross Country Teams have pursued — a District Championship. This was the "icing on the cake" for a team that had successfully defended its East Suburban Catholic Conference Championship. Winning the Conference trophy for the fourth consecutive year, the varsity built up a season record to 10 wins and one loss.

This year can also boast of another first: three Marist runners qualified for State finals. Senior co-capt. John Haberkorn, and sophomores Ralph Caron and Tim Delaney were part of that record setting group. Additional honors were also received by way of all Conference team membership for these three plus senior co-capt., John Quinn, and junior, Tom Leonard.

These accomplishments will hopefully set the stage for future record-breaking performances and personal excellence.

## Conference Champs 4th Year in a Row

Coached by Mr. Boyce, the Frosh-Soph Cross Country was phenomenal in extending their record to thirty-one consecutive dual meet victories without a single loss over the past four years with a perfect 11 wins, 0 loss record, capturing four first place and two second place invitational trophies. They finished their season successfully defending their conference championship for the fourth year in a row.

With the top three sophomores on the Varsity team, the Frosh-Soph showed tremendous depth led by Tom O'Hara, Glenn Janicki, Jim Mitoraj, and George Mejicano. Although the team was dominated by Sophomores, the Freshmen did their part, too, capturing a first and fourth place finish in the invitionals which should be the basis for a strong team next year.

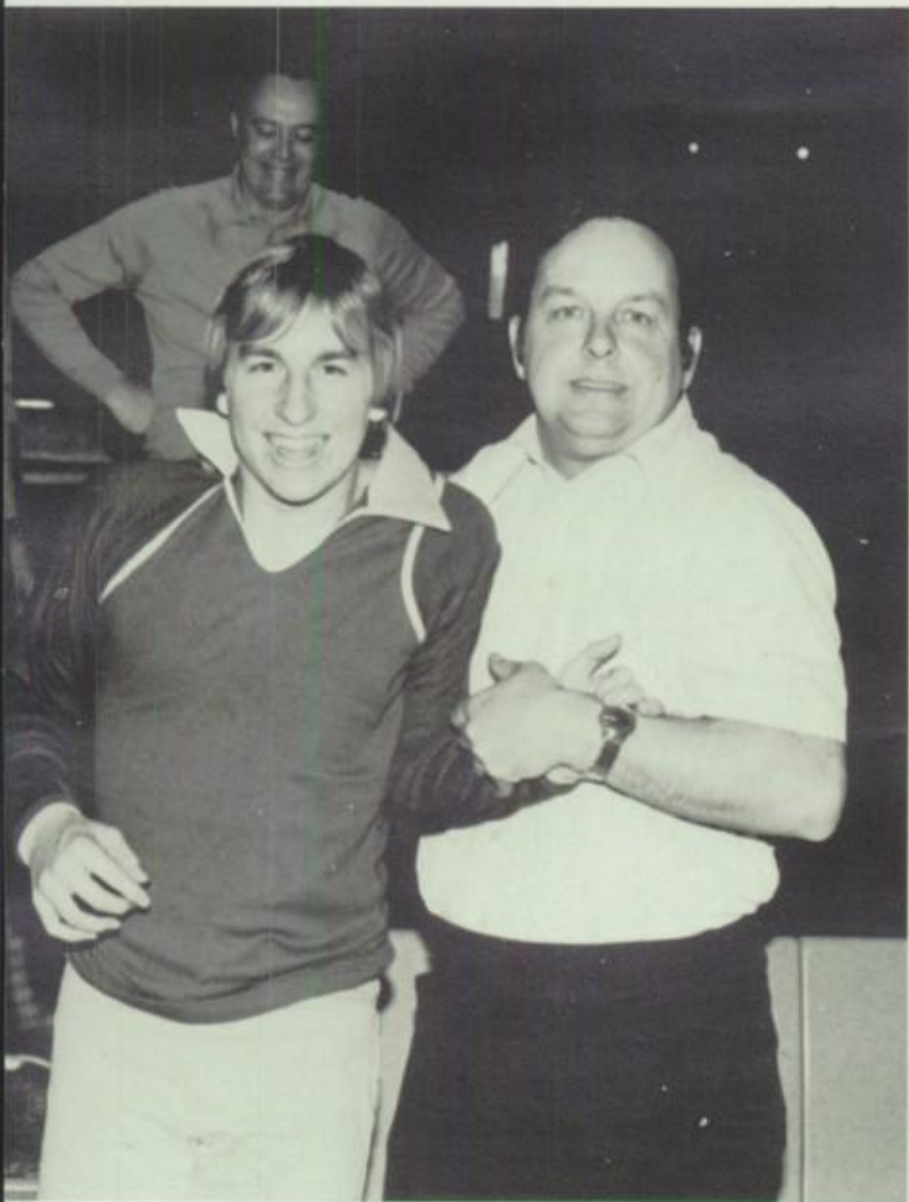

# MOTHERS AND FATHERS

The Mothers' and Fathers' Clubs have, as usual, been very active again this year. The Marist Mothers held their yearly card parties and bake sales while the Fathers have been "out with the guys" at the Smoker, the basketball games, and the card parties, donating money, along with the Mothers' Club, to the school's building fund. Congratulations — you've done it again!

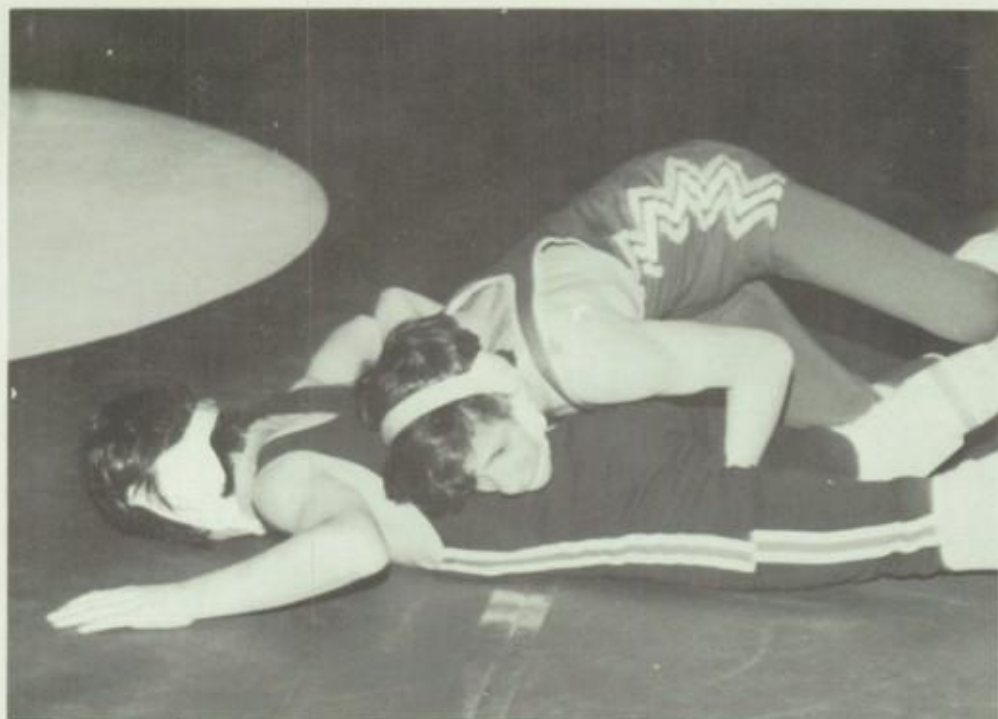

# STILL IN SCHOOL!

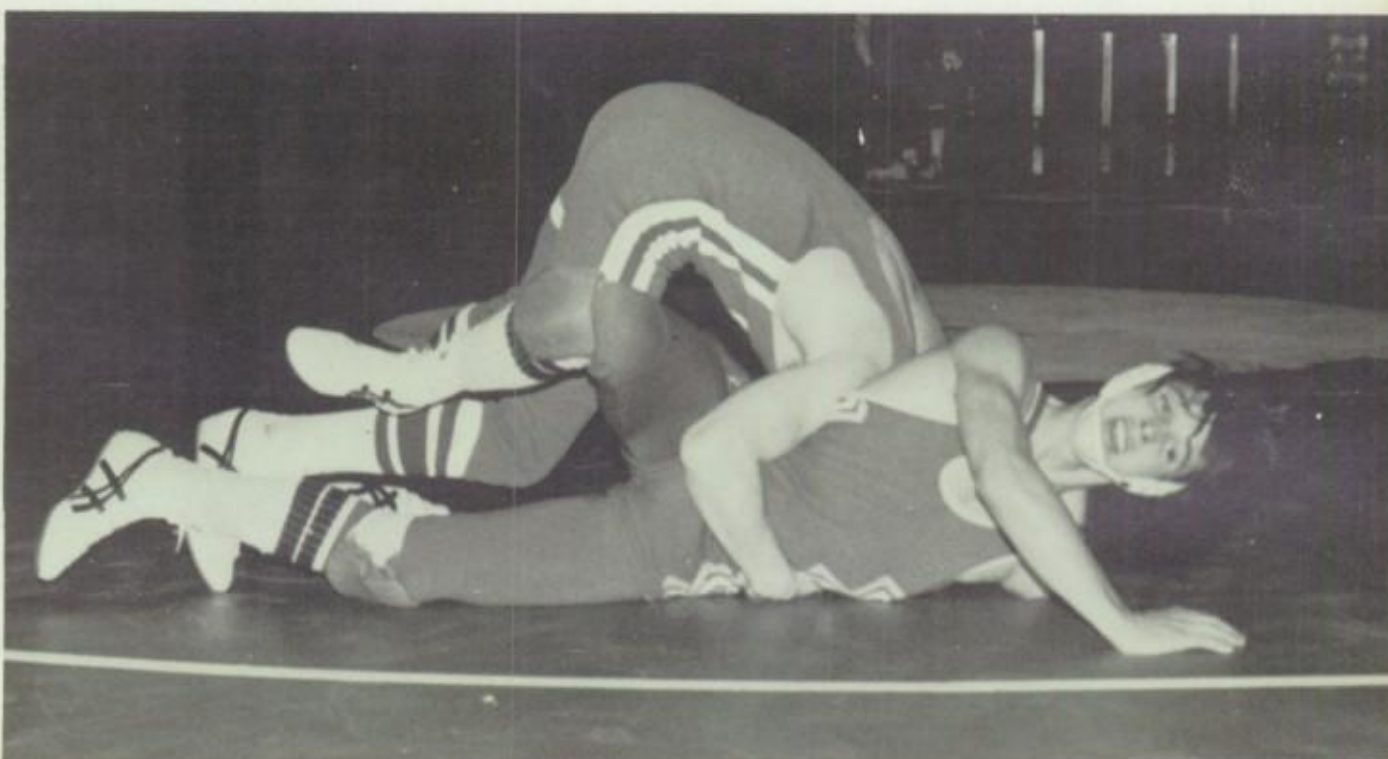

# VARSITY WRESTLING, A TAKE-DOWN SEASON

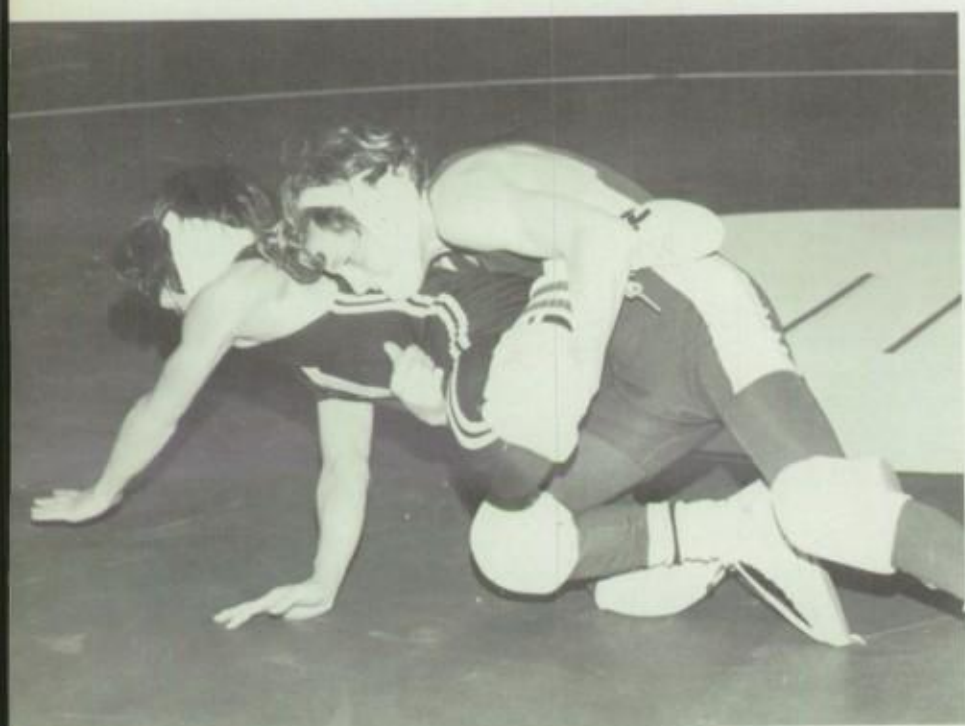

The wrestlers were a bit green this season as they entered their first year of varsity competition. They gained experience the hard way, dropping 11 out of 12 dual meets.

The grapplers did better in tournaments, however, finishing eighth out of 20 teams in a Christmas tourney and fifth out of seven in the conference. The conference finish was mainly on the strength of the sole senior on the team, Andy Marlin, who easily captured the conference title at 185 pounds. Other standouts this year were juniors Jim Dempsey and Conrad Urban, who finished with 11-6 and 12-5 records respectively.

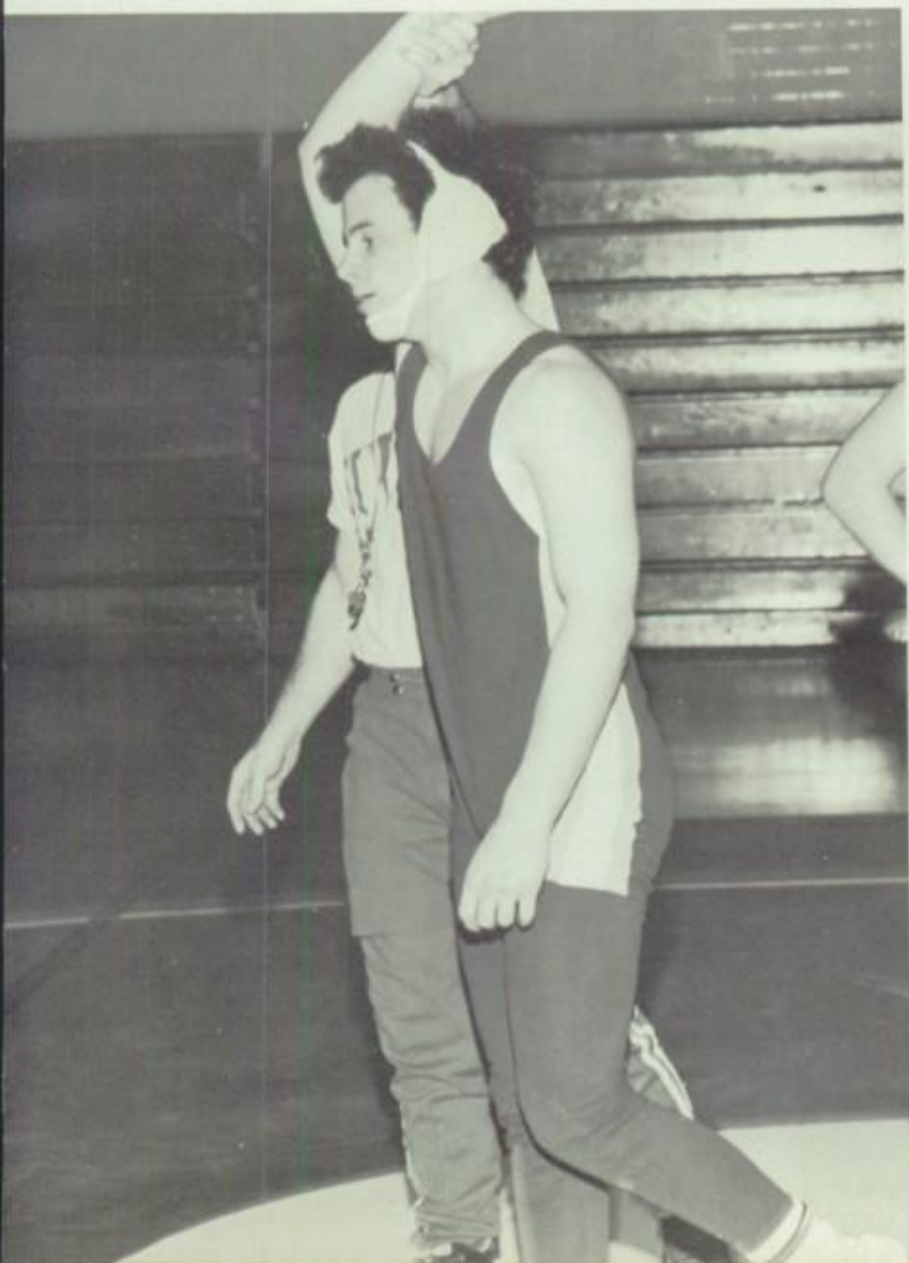

## Wrestling "Grips" Marist

The Freshmen did fairly well despite having many students wrestling at the Sophomore and Varsity levels. The Freshmen, however, did defeat Notre Dame, Forest View, and Curie while finishing the season at a 3 and 3 record.

The Sophomores had a very successful season by winning five, losing two, and tying one. The highlight of the season was a triple dual meet at Luther South in which the Sophomores handily defeated Luther South and Quigley South.

## NHS Offers Cultural Enrichment

The '77-'78 year was one of growth for the National Honor Society. They aimed to fulfill their vow of service to the school community.

The induction ceremony opened the year with 52 new members being accepted into the society. New and old members then went right to work by sponsoring a "Gong Show" which proved to some 900 people that Marist has some very talented people, along with a few clowns.

Next a cultural assembly was held and the whole student body had a chance to experience the wit and humor of none other than Mark Twain. Second semester brought the second annual Art Contest. Over 25 of Marist's fine artists displayed their works, with awards going to the best works of art. Next the NHS presented a concert for the entire student body — none other than Marist's own Band. The students enjoyed this since many of them never had the opportunity to hear just how fine a band Marist has.

The NHS's major project of the year came in April when they held the annual "Career Day." On this day 62 professions were represented.

Throughout the year many unnoticed projects were taking place around the school. One such project was the tutoring program. Here many NHS members gave up their time after school to help other students. Although it was a good year for the NHS, it is only a beginning. It is hoped that the future will hold even bigger and brighter things.

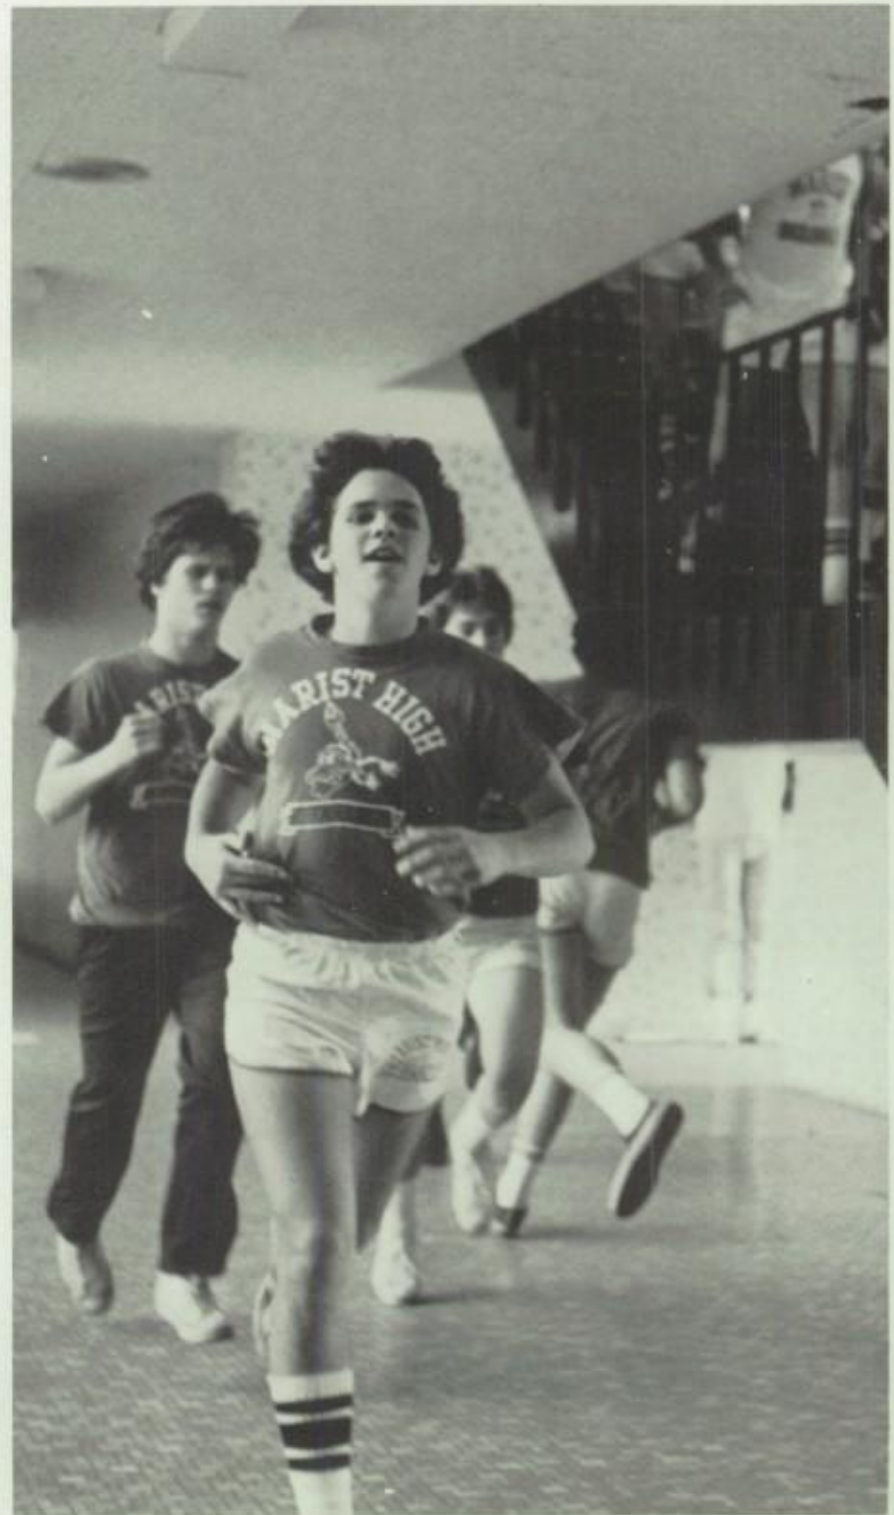

# Medical Report for Victim Unknown

After a thorough investigation the following explanation of the victim's injuries has been recorded —

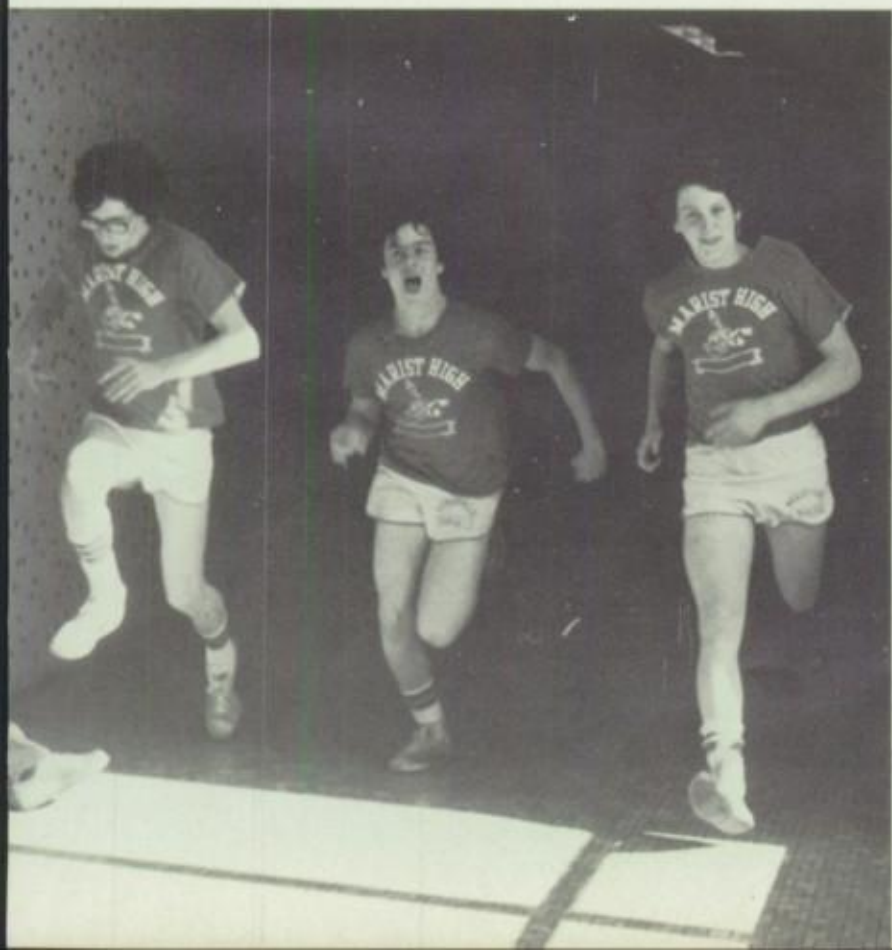

He, the victim, apparently received the head injury from an encounter with a top door locker in his haste to meet the early bus. The broken tooth was explained by finding teeth fragments in the west drinking fountain along with a number of skidmarks identified as track members' sneakers rounding the corner; through his determination he proceeded to make his bus deadline only to be affronted by a barrage of polevaulters simulating a jump. One over-anxious freshman missed and severed the right side of the victim from his person. No longer anticipating making the early bus, he headed for the nurse's office in search of survival and medical aid. Dragging himself by the little theater, he heard the faint sound of the tennis coach saying, "Hit the Showers," and within seconds a herd of players trampled the still unknown victim. When the cloud of dust was gone, the battered body lay face down in front of the nurse's office below a sign that read: "closed at 2:30."

— This is where the body was found by myself and my investigation had begun.

Signed,  
Mel Practice

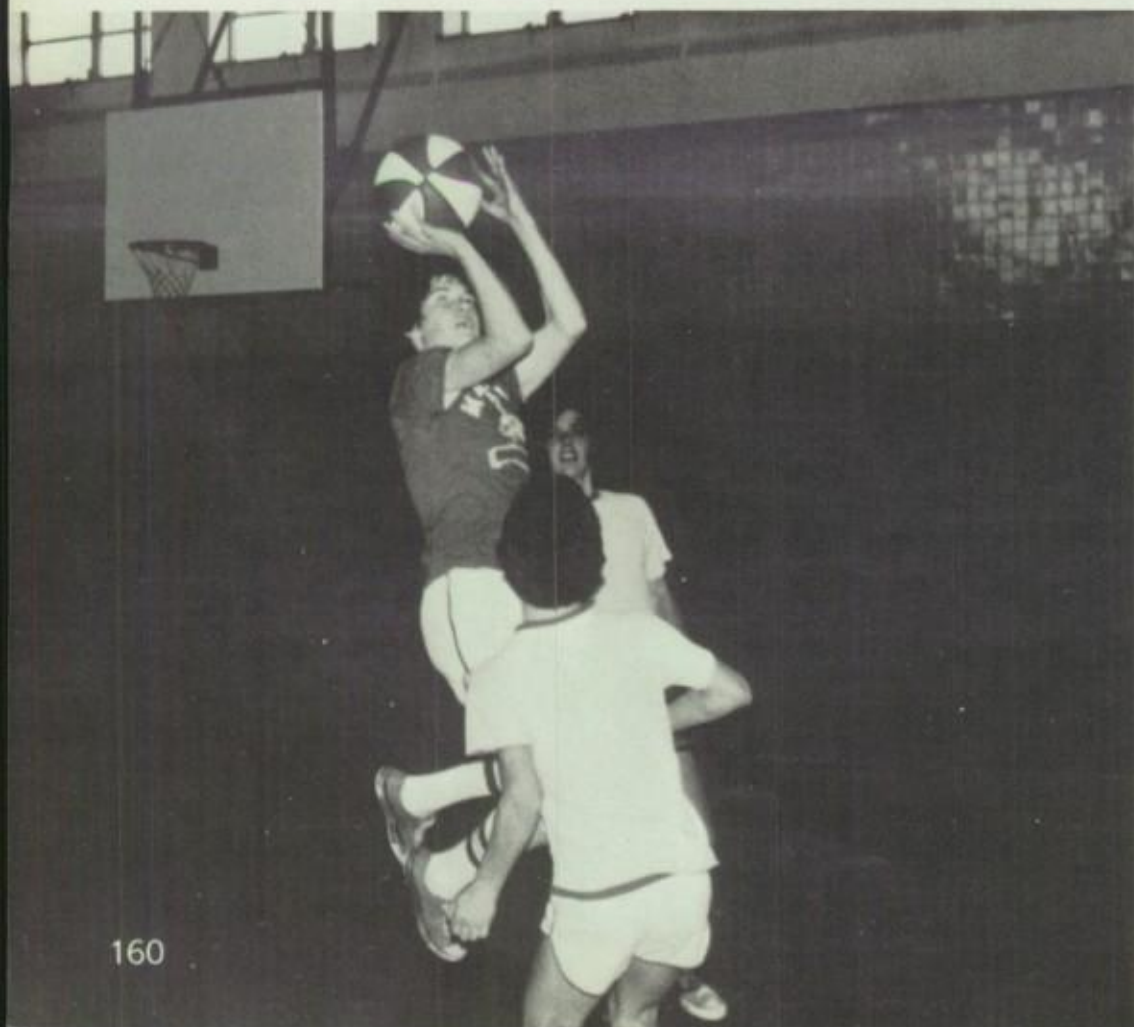

## In-School Spirit

The Intramural Program, dating back to the early days of the school, is one of the oldest activities at Marist. The purpose of the program is to foster school and homeroom spirit as well as to provide an outlet for students not involved in interscholastic sports. Approximately 1200 students participated in the program this past year. Activities include football, basketball, volleyball, checkers, and chess. Competition pits homeroom teams from each class against each other. Two annual highlights are the Faculty vs. Intramural Champ football and basketball games. This year a tug-of-war contest was held for the first time. The Intramural Referees' Association is the backbone of the organization, providing students to schedule, officiate, and keep statistics. The directors of the program are Mr. Les Easter, Mr. Denis Kazelas, Mr. Mike Leahy, and Mr. Tom Seputis.

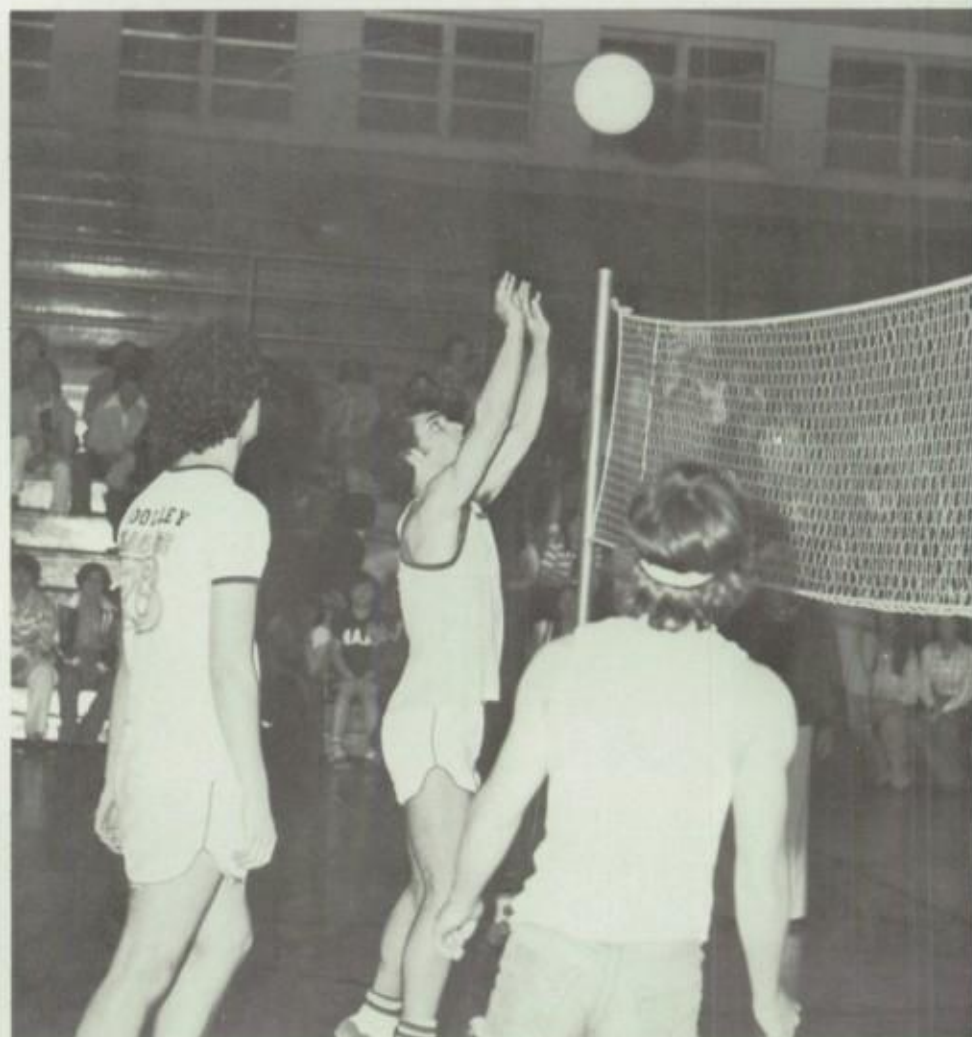

## ON THE MOVE

A new Student Council emerged at Marist this year — a Council concerned with its role as a motivating force within the Marist community.

A leadership workshop in August helped the Council set its goals and determine its direction for 1977-78. As a result of this planning, many different projects and activities were presented to the Marist community. Homecoming was remodeled and emerged as Fall Festival '77, a week long celebration complete with Run for Marist Marathon, Gong Show, Film Festival, and a Beatles Night, all highlighted by the Fall Festival semi-formal, "The Sun's Coming Up." Winter saw the return of Christmas Dance and the appearance of the Three Stooges and the Marx Brothers in the Council's Winter Film Festival. Several sock hops were held and culminated with the appearance of M & R Rush in early Spring.

In other areas, the Council continued its service to the greater Chicago area and the Marist communities through its involvement with the Beverly Blood Bank in the Marist Community Blood Coverage Program. In its own interest, the 1977-78 Student Council left its successors with a newly revised Constitution designed to make future councils more effective and dynamic.

Superb leadership on the part of the senior councilmen left the 1978-79 Student Council both a legacy and a challenge. It was a very good year!

# SUN, FOG, NATURE

LONDON — Come experience the Mother country . . . see sights like Big Ben . . . take a step back into history . . .

. . . Sun and excitement . . . cruise the sea of adventure in the **Bahamas**.

. . . A nature experience you'll never forget, beauty and tranquil waters only in **Quetico**.

Each year people all over the world are "taken by" such lines as the one above, but this year the opportunity came to Marist. Students from every year were allowed to visit London or Quetico while seniors alone had the privilege of a Bahamas' cruise. A London tour at Christmas provided a look at a completely different world of pubs, castles, and a unique way of life. At Easter a cruise permitted the relaxation and enjoyment of sun and fun for the seniors. For those nature lovers or those who just wanted to get out of the city, the canoes of Quetico were waiting. No matter whether students traveled for Sun, Fog, or Nature, they agreed it was the best trip they had been "taken for."

# Varsity Track Sixth Straight ESCC Championship!

Once again, under the leadership of co-captains Don Tucek and John Quinn, the Varsity Track Team won its 6th straight ESCC championship. During this 8-1 season, outstanding performances were recorded by State qualifiers: Steve Reis — Hurdles; Mike Zolfo, High Jump; Ralph Caron — Two-mile and Dave Richert, Pole Vault. Other consistent scorers during the season were League 440 winner Brian Wayda; Tim Delaney — Mile; Bill Ryan — High Jump and Ed Halleran — Long and Triple Jump.

## Frosh-Soph Track Seventh Straight ESCC Championship!

Continuing a winning tradition, the Frosh-Soph won its 8th Championship in 9 years. In a 9-1 season, outstanding performances were turned in by Bill Reis — Hurdles; Kevin Kenny — Sprints; Mike Murray — High Jump and Discus; Joe Brennan — Shot; Tom O'Hara; Kevin Germino, Mike Godbout, Don Hanigan and George Mejicano — Distance.

## David and Goliath

1977-1978 was an extremely unusual season and a difficult one for the players and the coaches. However, it was a very positive learning experience for everyone involved.

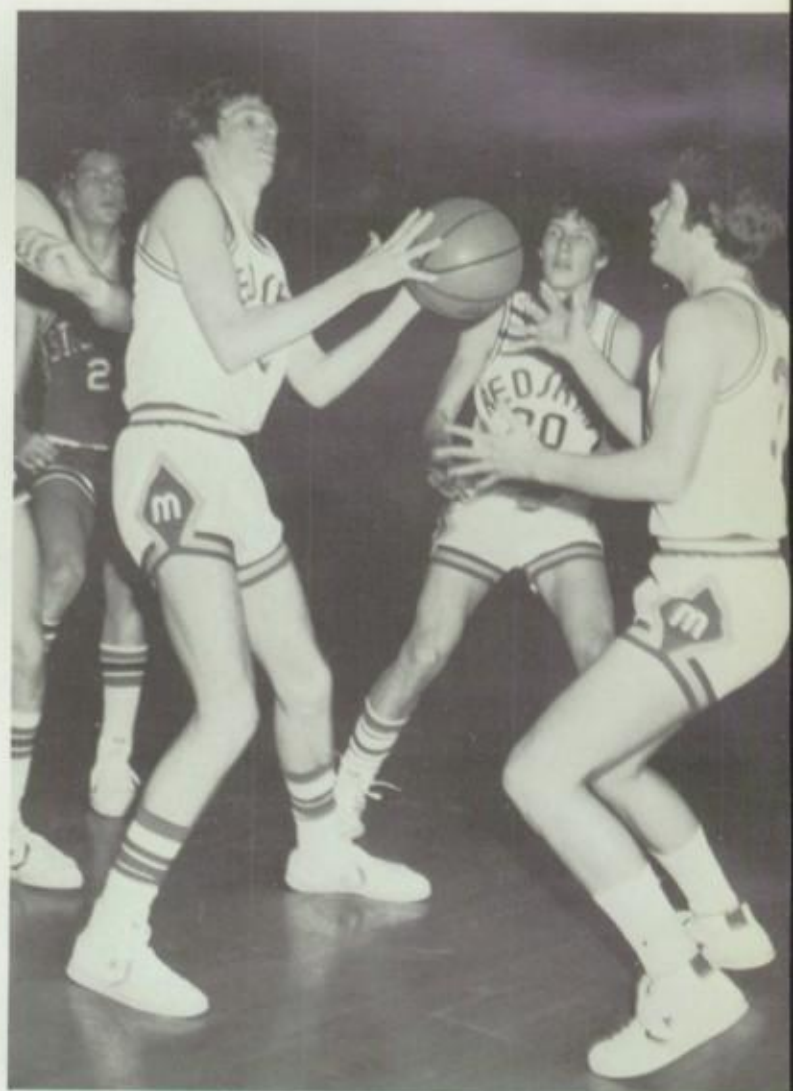

After a great summer of basketball, the Redskin Varsity team got off to a good start, and despite some early injuries, they managed to capture the consolation championship in the Turkey Classic. The season was turned around suddenly, however, when 10 of the 12 Varsity players were suspended for the remainder of the season for violating a team policy at the Christmas Holiday Tournament. Sophomores were moved up to fill the vacant Varsity slots and many of the Freshmen were thrust into Sophomore roles. Our younger players did a tremendous job against insurmountable odds. Their hustle and determination kept the

Redskins competitive on a schedule that was the toughest in the School's history, and gave our fans not only exciting brand of basketball, but a taste of what we can expect in the future. The tremendous support and cooperation shown by the student body, the fans, and the parents was an inspiration to the players, coaches, and administration.

The true character of all who make up the Marist family was exemplified by the spirit and courage shown this season. With experience and excellent talent, the returning players will be major contenders in their League next year.

## Time of Promise

The Freshman and Sophomore basketball teams provided great promise for the future by responding to the many challenges which they faced this year. The season provided an opportunity for all players to gain valuable experience against tough opposition while preparing for Varsity competition.

Twelve different Freshmen played on the Sophomore team throughout the season, which is a good indication of the tremendous talent in the Class of 1981. The Sophomore team, coached by Mr. Jim Olson, highlighted its season with a second place finish in the Andrew High School Tournament. The Freshman team, coached by Mr. Rich Danek and Mr. Tom Richardson, won a second place trophy in the Chicago Christian Tournament and finished with a combined A and B team record of 22-17.

# Hee Haw

Over the years, Marist has introduced several new sports, soccer, wrestling, and golf, just to name a few.

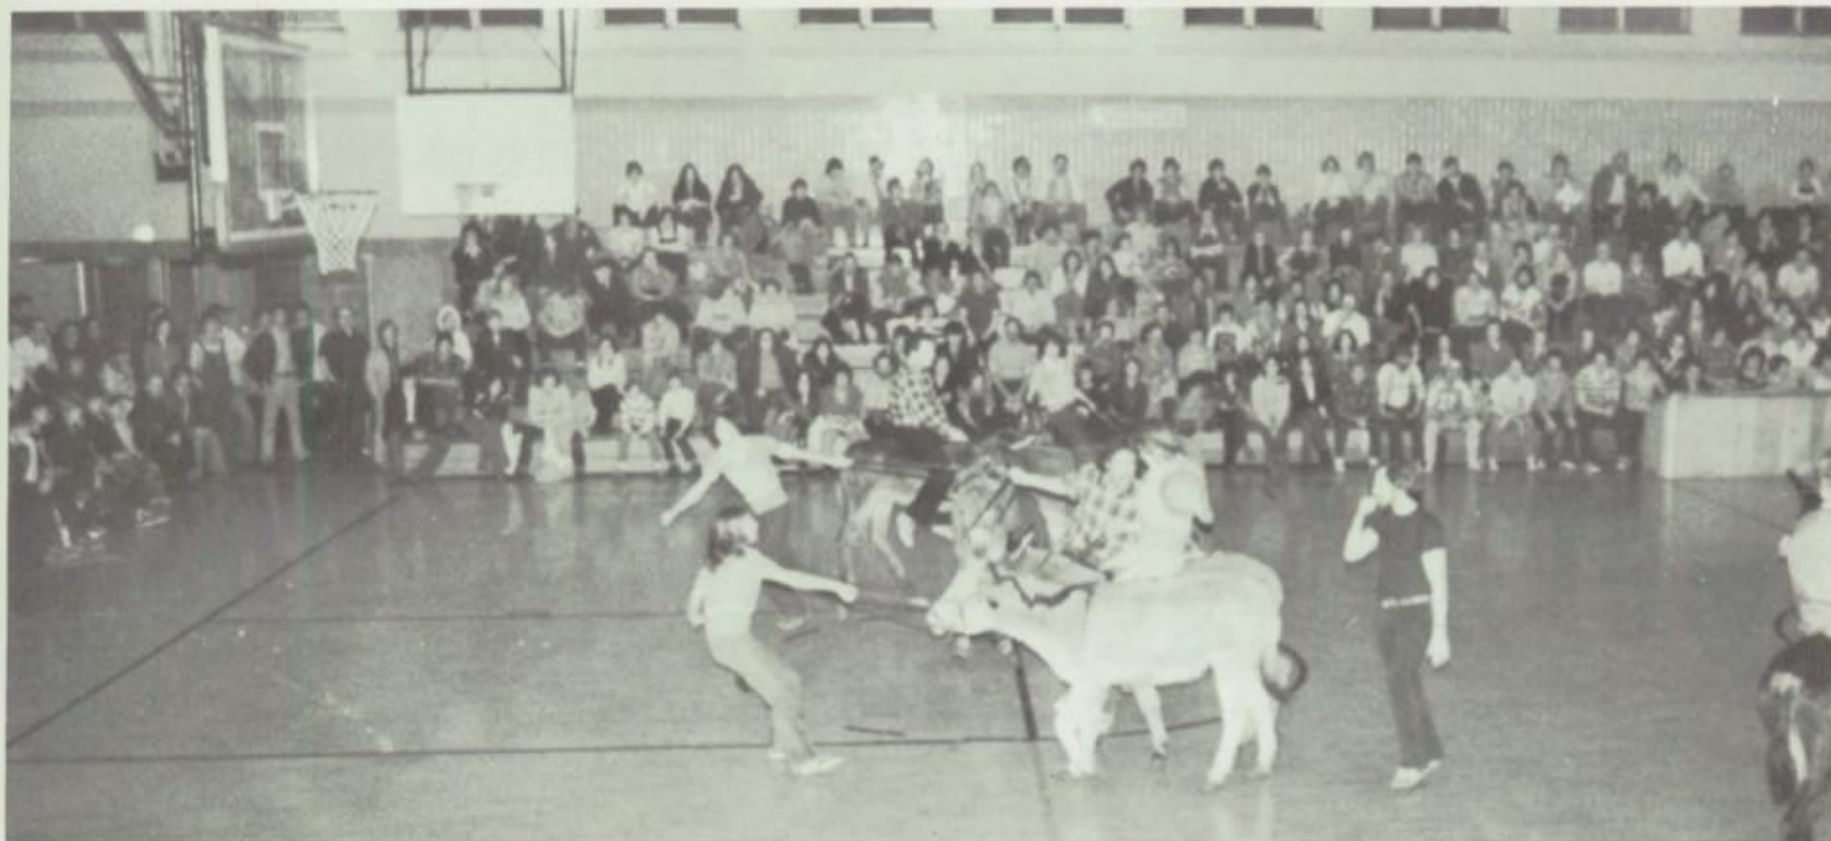

But no single sport, past or present, has had the impact of donkey basketball.

Donkey basketball is a grueling sport. It requires skill, stamina, and a complete lack of dignity. Yet the appeal of this sport must lie in its simplicity. All that is needed is a court, a basketball, 10 people, 10 donkeys, and a large pail and shovel.

Truly this sport stands as a milestone in the history of Marist High School.

## Dust in the Wind

The Place: The Orland Chateau  
The Date: April 21  
The Theme: "Dust in the Wind"

These factors were all that were needed for a successful Junior Dance, the most successful ever with its attendance of 170 couples. A delicious prime rib dinner and music by "Rocket" added to the enjoyment of the evening. This was truly an experience the Juniors will never forget. A special thanks to Bro. Dan Grogan and Bro. Larry Lavallee for their patience and participation in this event.

# MARIST CAPTURES STATE AA CHAMPIONSHIP

CONGRATULATIONS to the winningest State Championship Team in Prep history — MARIST — finishing with a magnificent 38-4-1 record. But it's no surprise when such a team turns up several outstanding players as all-State, all-star Bob Hallas and his record 18-0 pitching success, or Tim Pyznarski, also an all-State, all-star outfielder, or the remaining players whose determination and ability to take on any situation surpassed the home-team advantage held by Peoria Richwood to capture the State crown.

The all out team effort and superior coaching by Coach Don Kuehner and Assistant Coach Mike Dooley showed everyone they were State bound back when they slugged through a conference record of 10-2, continuing with victories over Brother Rice, Eisenhower, and DeSales for Regional Championship. In the sectionals they defeated Thornwood and St. Laurence in a thrilling 5-4 extra-inning game to reach the down State teams in the elite 8.

Down State the key to Marist's success was the squeeze play. In the final game for the championship title, Coach Don Kuehner gambled the squeeze and WON 5-3. TEAMWORK WON THE TITLE!

The Marist State record speaks for itself:

Marist 8 — Springfield Lamphien	3
Marist 8 — Mundeleir	2
Marist 5 — Peoria Richwoods	3

CONGRATULATIONS TO THE WINNINGEST STATE CHAMPIONSHIP TEAM IN PREP HISTORY — THE HARD HITTING, SMOOTH FIELDING, SOLID PITCHING REDSKINS OF 1978.

Teamwork by:

SENIORS: Randy Conte, Bob Hallas, Mike Harte, Jim Hughes, Jim Kendrick, Ray Lang, Tom Lusk, Mike May, Jim Nelson, Tim Pyznarski, Dave Scukanec, David Stefan.

JUNIORS: Daniel Ahern, Dan A. Hansen, David Kawczynski, Mathew Mudd, Bill Prokop, Bob Rose, Ray Thoma, Ed Vucinic, Bill Wilkin, Bob Wzorek, and Sophomore Ron Piarowski.

## Marist's Frosh and Soph Teams

# Play to Win

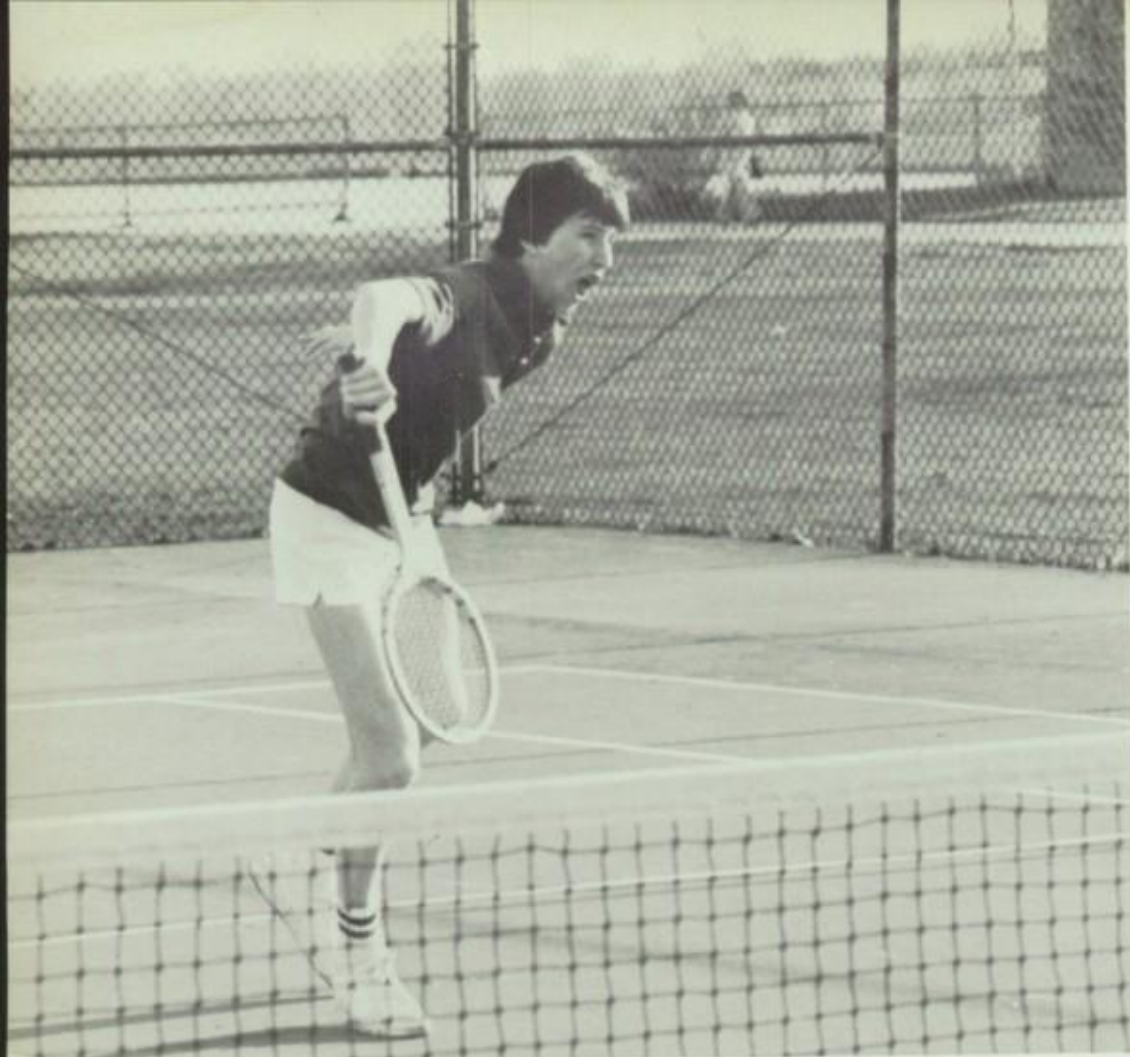

The Freshman Baseball Team was highly successful this year. Fine pitching by Tom Marks, Tom Broderick and Dan Conrad played an important role in the team's triumphs. Key defensive plays by John Henry, Jim Bandyk, Dave Messmaker, and Bill Panko also were very impressive. Excellent speed on the base paths was provided by Joe Hodorowicz and Joe Borak. Heavy hitting support at the plate was provided by Bugs Moran, Doug Busch, Joe Hodorowicz and our D H Mr. Mitchell. Freshman Champions 9-3; Reavis Freshman Tournament Champions; Overall record of 14-4. The season was successful and enjoyable due to the excellent teamwork of Coaches Rogowski and Ryan and of each individual player.

The Sophomore Baseball Team enjoyed a fine spring season winning the conference title and the Reavis tournament. They finished with an overall record of 20-3. The Redskins excelled in all phases of the game but particularly in the areas of hitting, pitching and base running. With a lot of hard work and the development of added poise, the baseball class of 1980 could find even greater success in their remaining two years of a fine Marist baseball tradition.

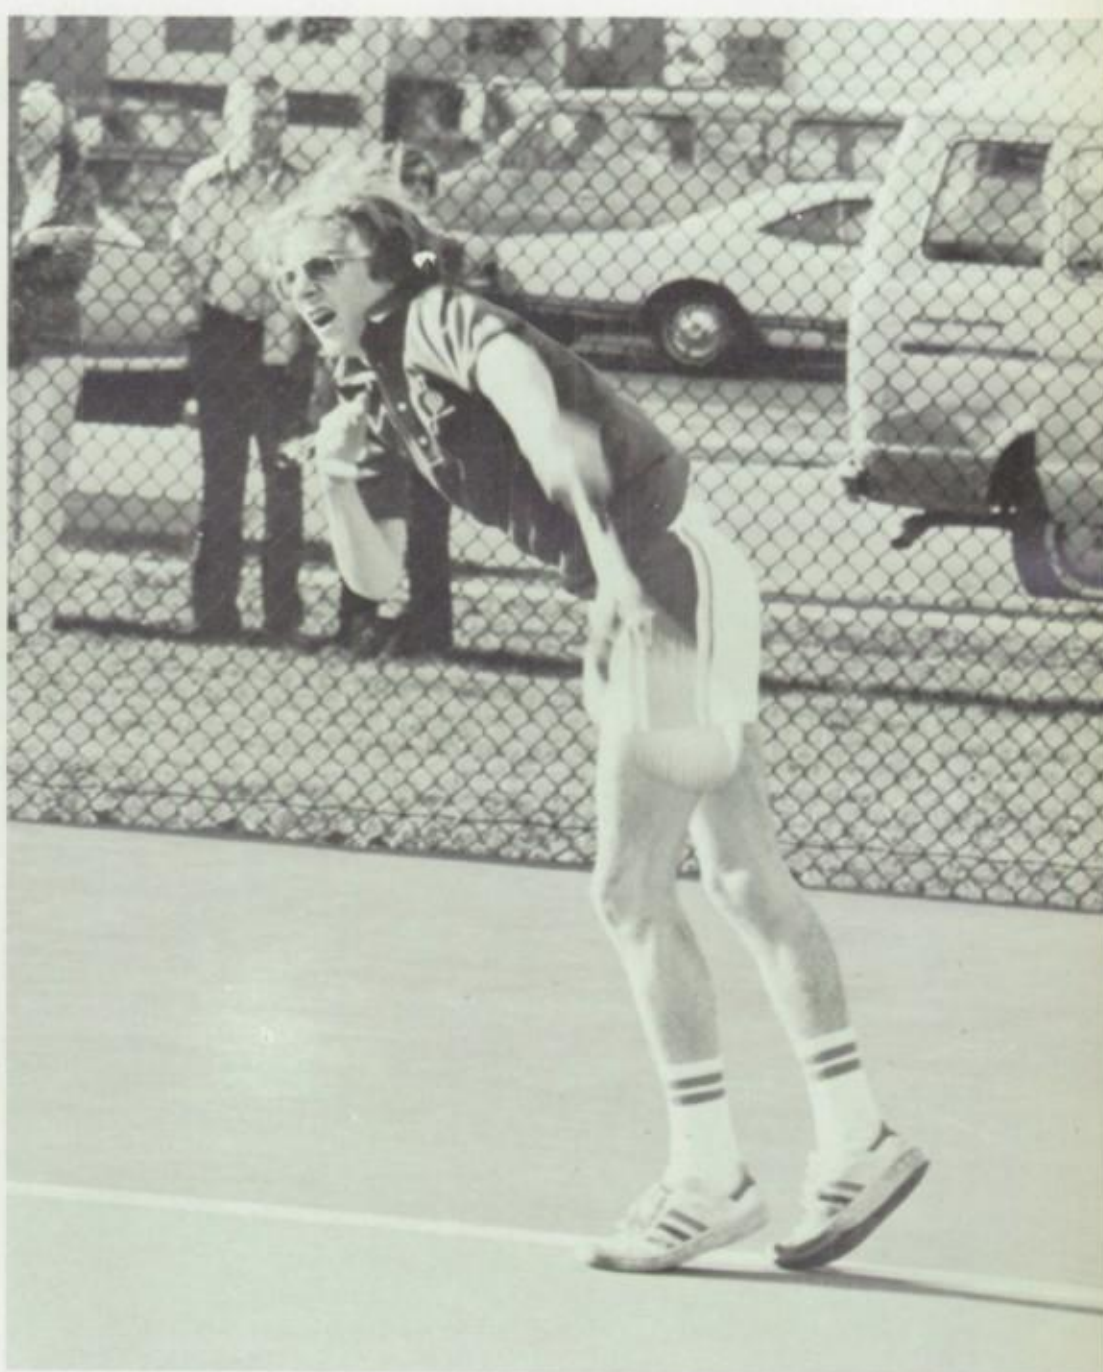

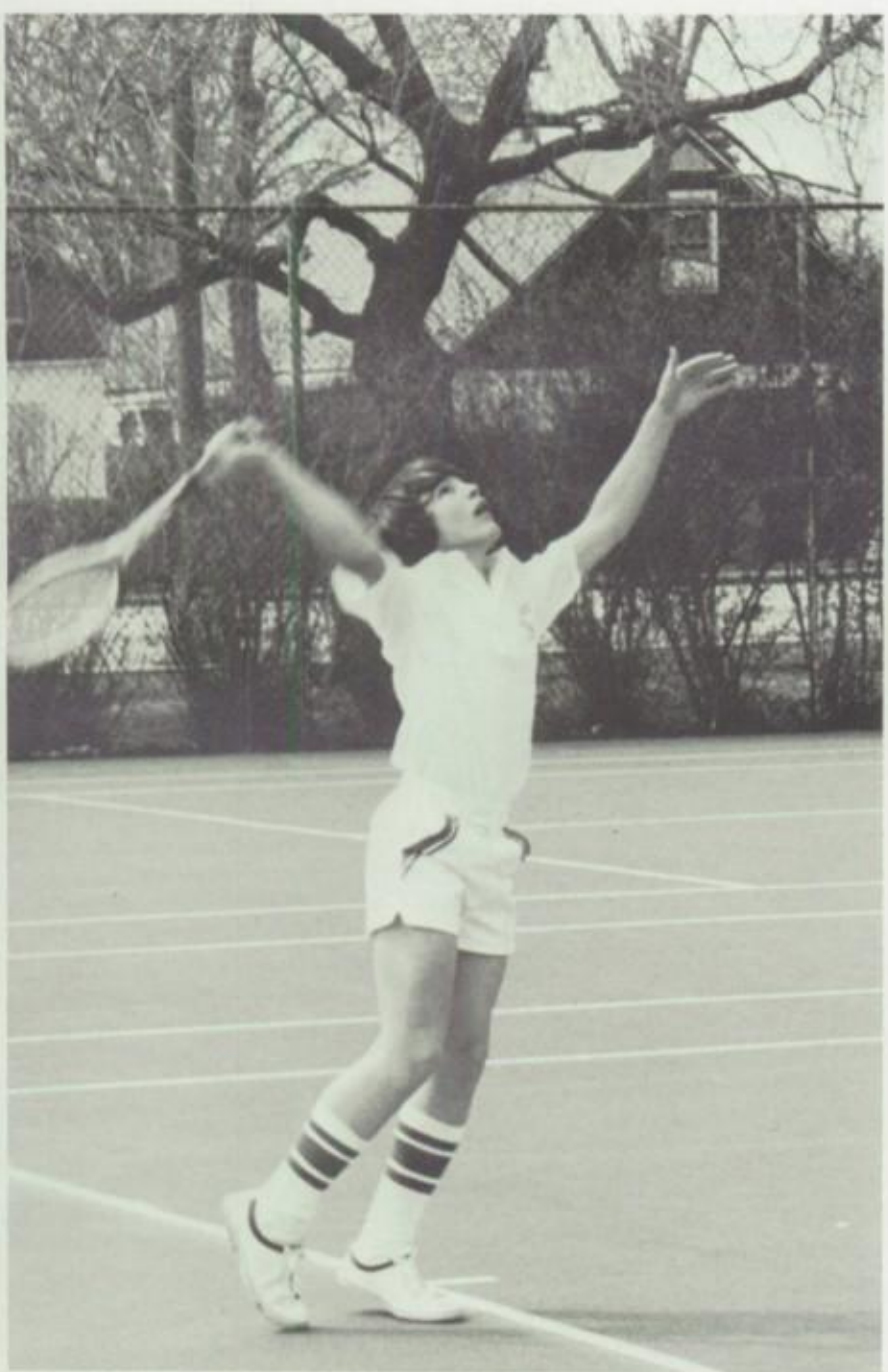

## Forest Hills Bound

The Varsity Tennis team ended its dual match season with a record of 15-3 (6-2 in Conference play and 9-1 in non-Conference competition.) For the second year in a row Marist took second place in Conference competition, bested only by St. Patrick HS.

The highlight of the team's season at this writing was its second consecutive team district championship in state competition qualifying all members of the district team for the state finals. Captain Greg Temofeew lead the Redskins with his second consecutive district singles championship. Junior Rick Burgess and Sophomore Jeff Schuetz combined their talents at first doubles to take second place. Our second singles player, Rich Temofeew, and our second doubles team of Dave Kaiser and Al George won their opening matches to win three important points toward our team championship.

The team is hoping to better its state ranking of last as a team (13th) under the leadership of Greg Temofeew who finished last year in the state's top 20 singles players.

Aside from victories and defeats and rankings, the team reflected the spirit and friendship of the Marist tradition at its best, and we thank the Lord for the victories that satisfied and excited us, and defeats that caused us to examine ourselves and to grow.

## Long and Winding Road

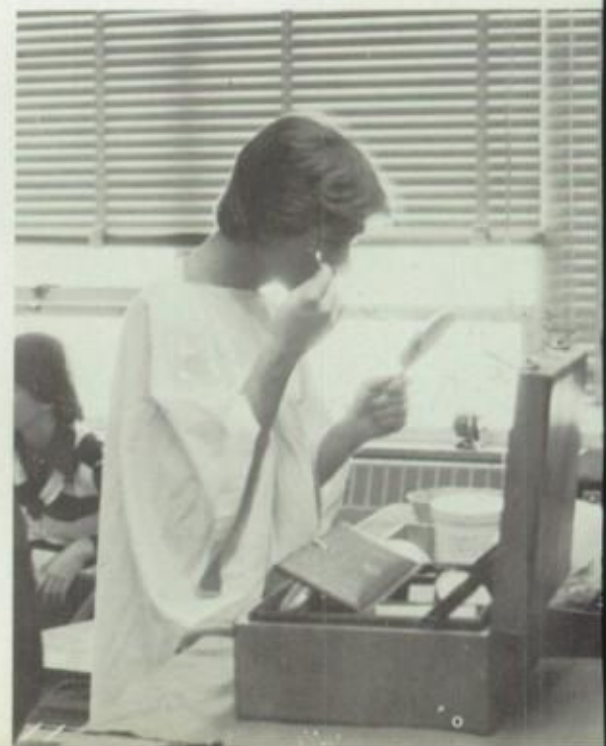

Senior Prom . . . the last big ritual of high school and the beginning of the "Long and Winding Road!" In six hours the seniors were left with a life time of memories ranging from reception lines to pictures and from slow dancing to the music of Rocket and Fortune to breakfast afterwards. Boundless memories can be found when thinking back on the night of May 5th and back on the four years at Marist . . . all the friendships and good times . . . the ups and downs but mostly the memories. Our hats are off to all who made the Prom, our last memory, a good one. The efforts of Brother Frank and the committee were evident.

# ALL THE WORLD'S A STAGE

The 1977-78 Marist Drama Club season proved quite exciting and full of changes. It saw Bro. Kevin McArdle's first year as Drama Director with the assistance of Mrs. Bonnie Littleton.

This year's fall play, EGAD, THE WOMAN IN WHITE, was unique. For the first time in years, a major production was presented — our first melodrama. Starring in this smashing success were veteran actors Tim Howe, Maureen Glynn, Paul Vonder Heide, Mari Heavey, and Jane Lester; also newcomers Maureen Hughes, Bernie Ryan, Dawn Kapple, Danny Wyrobek, and Tom Farley.

The one-act plays were also different this year. For the first time, all plays were to be original, student-written works. This added a new dimension to student involvement in the one-acts.

As winter turned to spring, drama turned to music with THE ROAR OF THE GREASEPAINT; THE SMELL OF THE CROWD, starring Jeff Zuiker, Dean Miller, E. J. Flessor, Elly Leahy, and Maureen O'Connell and sixteen other talented people.

In closing the season, the drama club says good-bye to Jeff Zuiker, Pres., Nick Kokoris, Vice-Pres., Vince Laughlin, and Treas. Tim Howe. Also, thanks to McAuley seniors Maureen Glynn and Marybeth Brennan for four years of help, support and talent.

## Just the Way You Are

For the first time in two years a Sophomore dance was held at Marist High School and the class of '80 clearly showed what can be accomplished through hard work and dedication. On April 29, 1978, the dance gave all Sophomores and their dates a chance to have a good time that was just a little bit out of the ordinary. The couples started arriving at 7:30 and when "Redwind" began to play, the dance floor "erupted" and the spirit of the evening came to life! The theme, "Just the Way You Are," suggested and confirmed the spirit present in the class of '80 which is the real reason why it was a "night to remember."

## Unsung Heroes

When one refers to a behind-the-scene organization, the one that first comes to mind is the stage crew. Its whole existence is based upon that single premise of unsung service. Each time the theater guild puts on a production the scene must be set, designed, and created from scratch by the stage crew. Lights and microphones must be positioned for the show to be a success and hours of work go into the building and painting of a single scene, which is essential to the success of any good performance.

CHESS SUCCESS this year was due to two young men: Captain of the Marist Chess Team, Len Surdyk — Senior; and Chess Club President, Mark Siranovic, Junior. Club attendance each week reached an all-time high with all members enjoying the various events sponsored throughout the year. The young Chess Team (one Senior and four Sophomores) concluded their prosperous season with an amazing 7-1-0 record and finished second in our conference division.

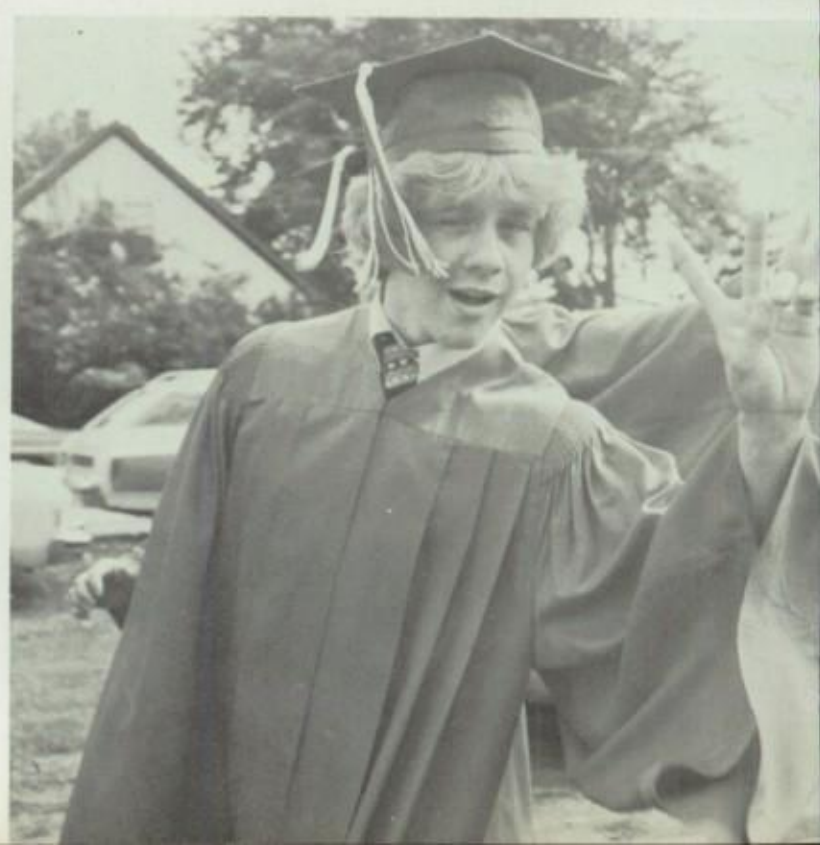

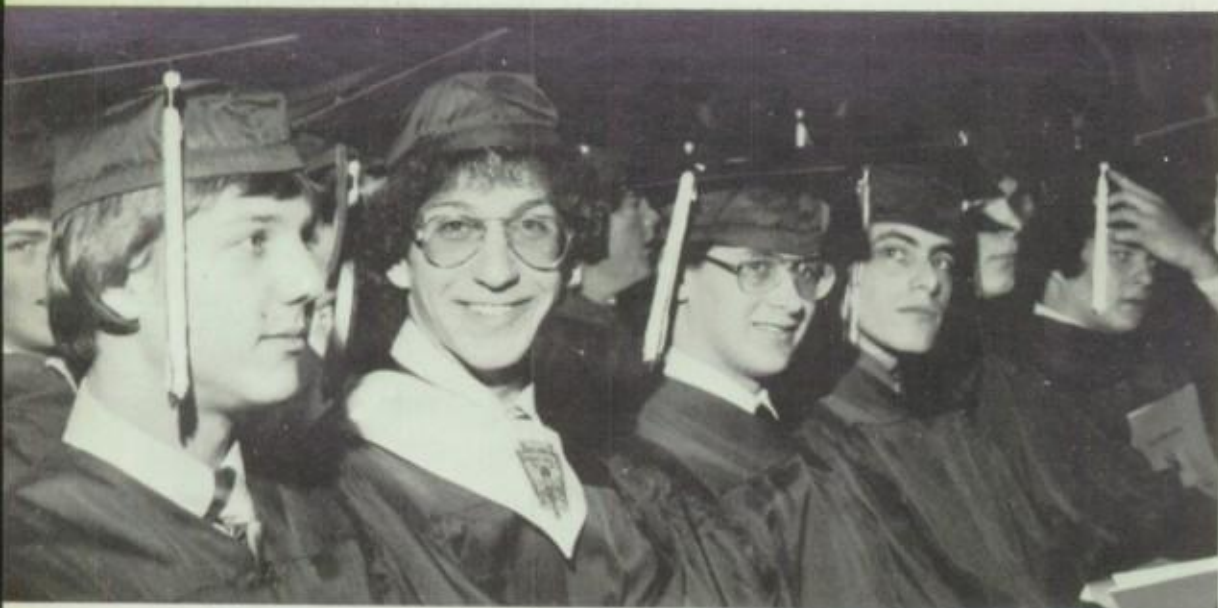

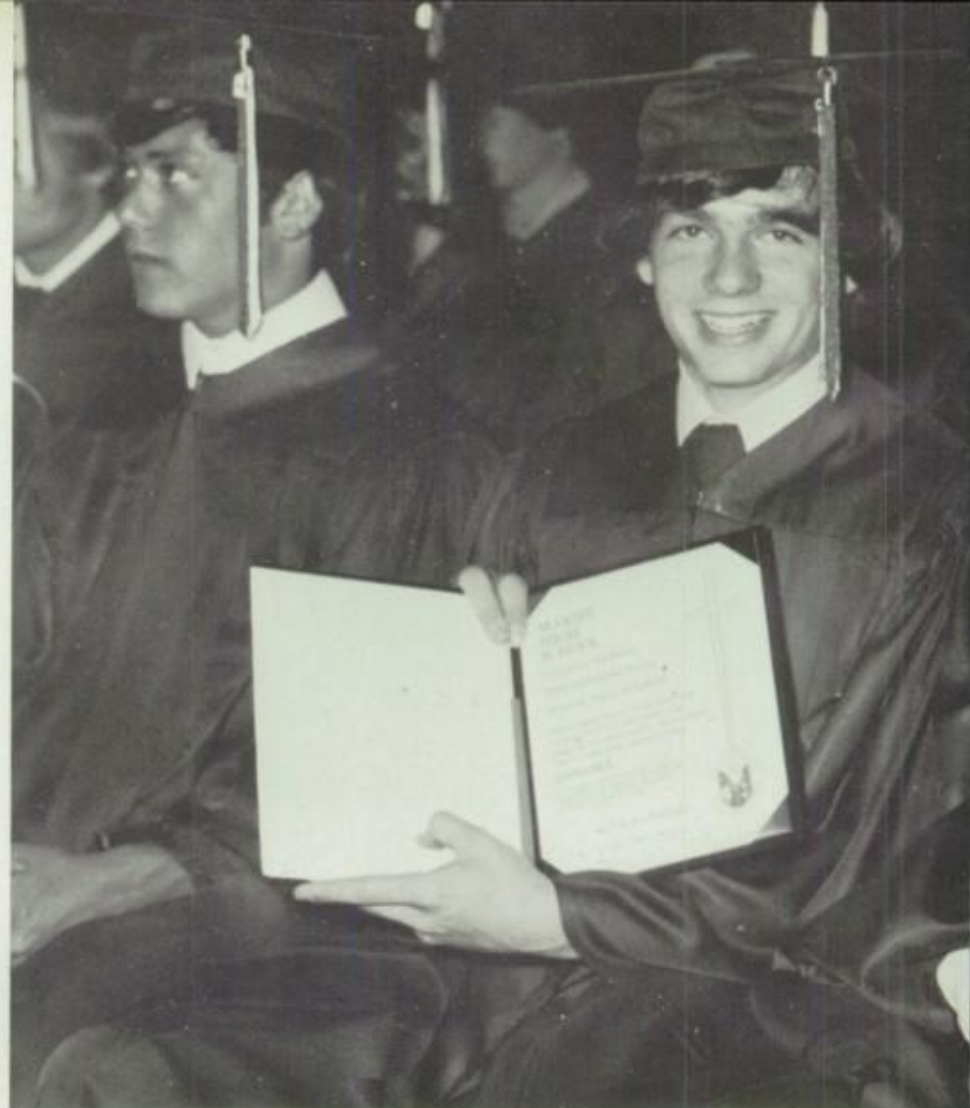

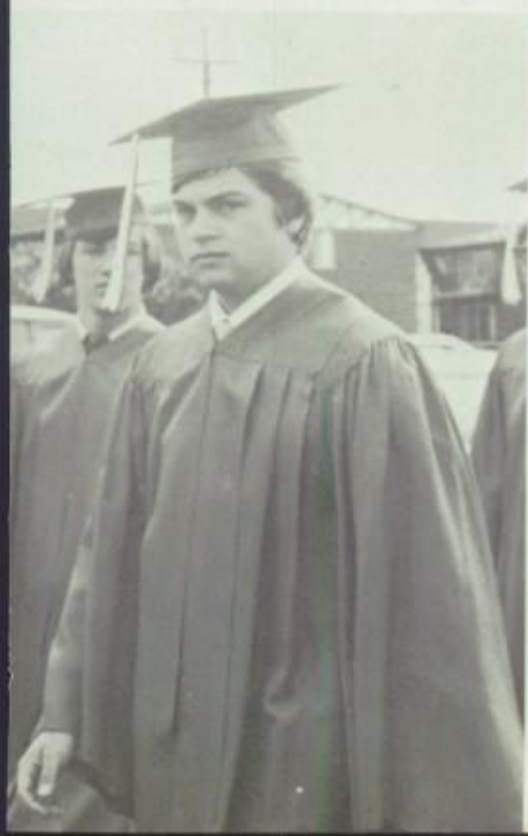

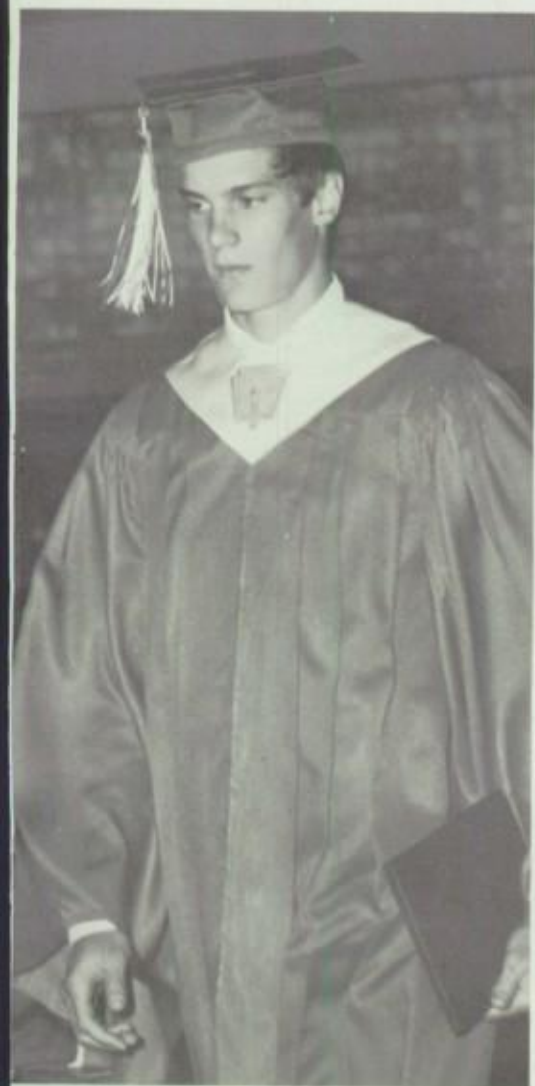

## Blueprints for the Future

Commencement exercises for the Class of 1978 were held on Saturday, June 3, at four o'clock. Four hundred thirty-eight seniors received their diplomas signifying the completion of their four-year education at Marist. As the graduates marched in, the Marist Band played "Pomp and Circumstance."

Brother Anthony Iazzetti addressed the graduates, their parents, teachers, and friends. He stated that Marist's main concern is not merely to see a reflection of its ideals, but an absorption of these ideals by the students. Brother also said that the Marist family takes great pride in the many young men in the Class of '78 because they have committed themselves to the ideals of Marist, the ideals of Christianity; he expressed the hope that these ideals would be a significant part of their lives. He said, "We realize that no one can prepare the path of life for the graduate; we can only hope that we have helped prepare the graduate for the path of life . . . The diplomas," Brother stated, "are heavy with expectations." Among the expectations Brother referred to were those of the teachers that the "students would think clean, clear, straight, and frequently . . . that they would be teachable, essentially wanting to grow in wisdom and understanding." Fellow citizens "expect him to be a good citizen, informed about the world but loyal to America and the ideals for which it stands." Friends and neighbors, too, continued Brother, "expect the graduate to have a special ability of understanding and caring for people, any people, all people." His final wish to the graduates was that they who helped to build Marist and to make it what it is will continue to carry a bit of Marist throughout their lives and make it what it will become.

Pujia, Moderator. **In the Hole** Sr. D. Schwertman, Moderator. **Hatch-Backs** P. Dubrick, Typist; B. Kemp, Copy Editor; J. Simmerling, Copy.

And like the new wing  
the 78 yearbook is complete.  
Let us never forget the  
"BUILDING PROCESS"  
that has occurred.  
Let this be a reminder  
that will last for now  
and forever —

My thanks go out to:

Ken Nemsick, our Taylor Publishing Company representative, who through all his time and effort helped us with our problems.

Ed Carney from Root Photographers who supplied us with many pictures.

Marist Faculty and Administration whose support and encouragement was never ending.

Marist students, for without their cooperation this book wouldn't be possible.

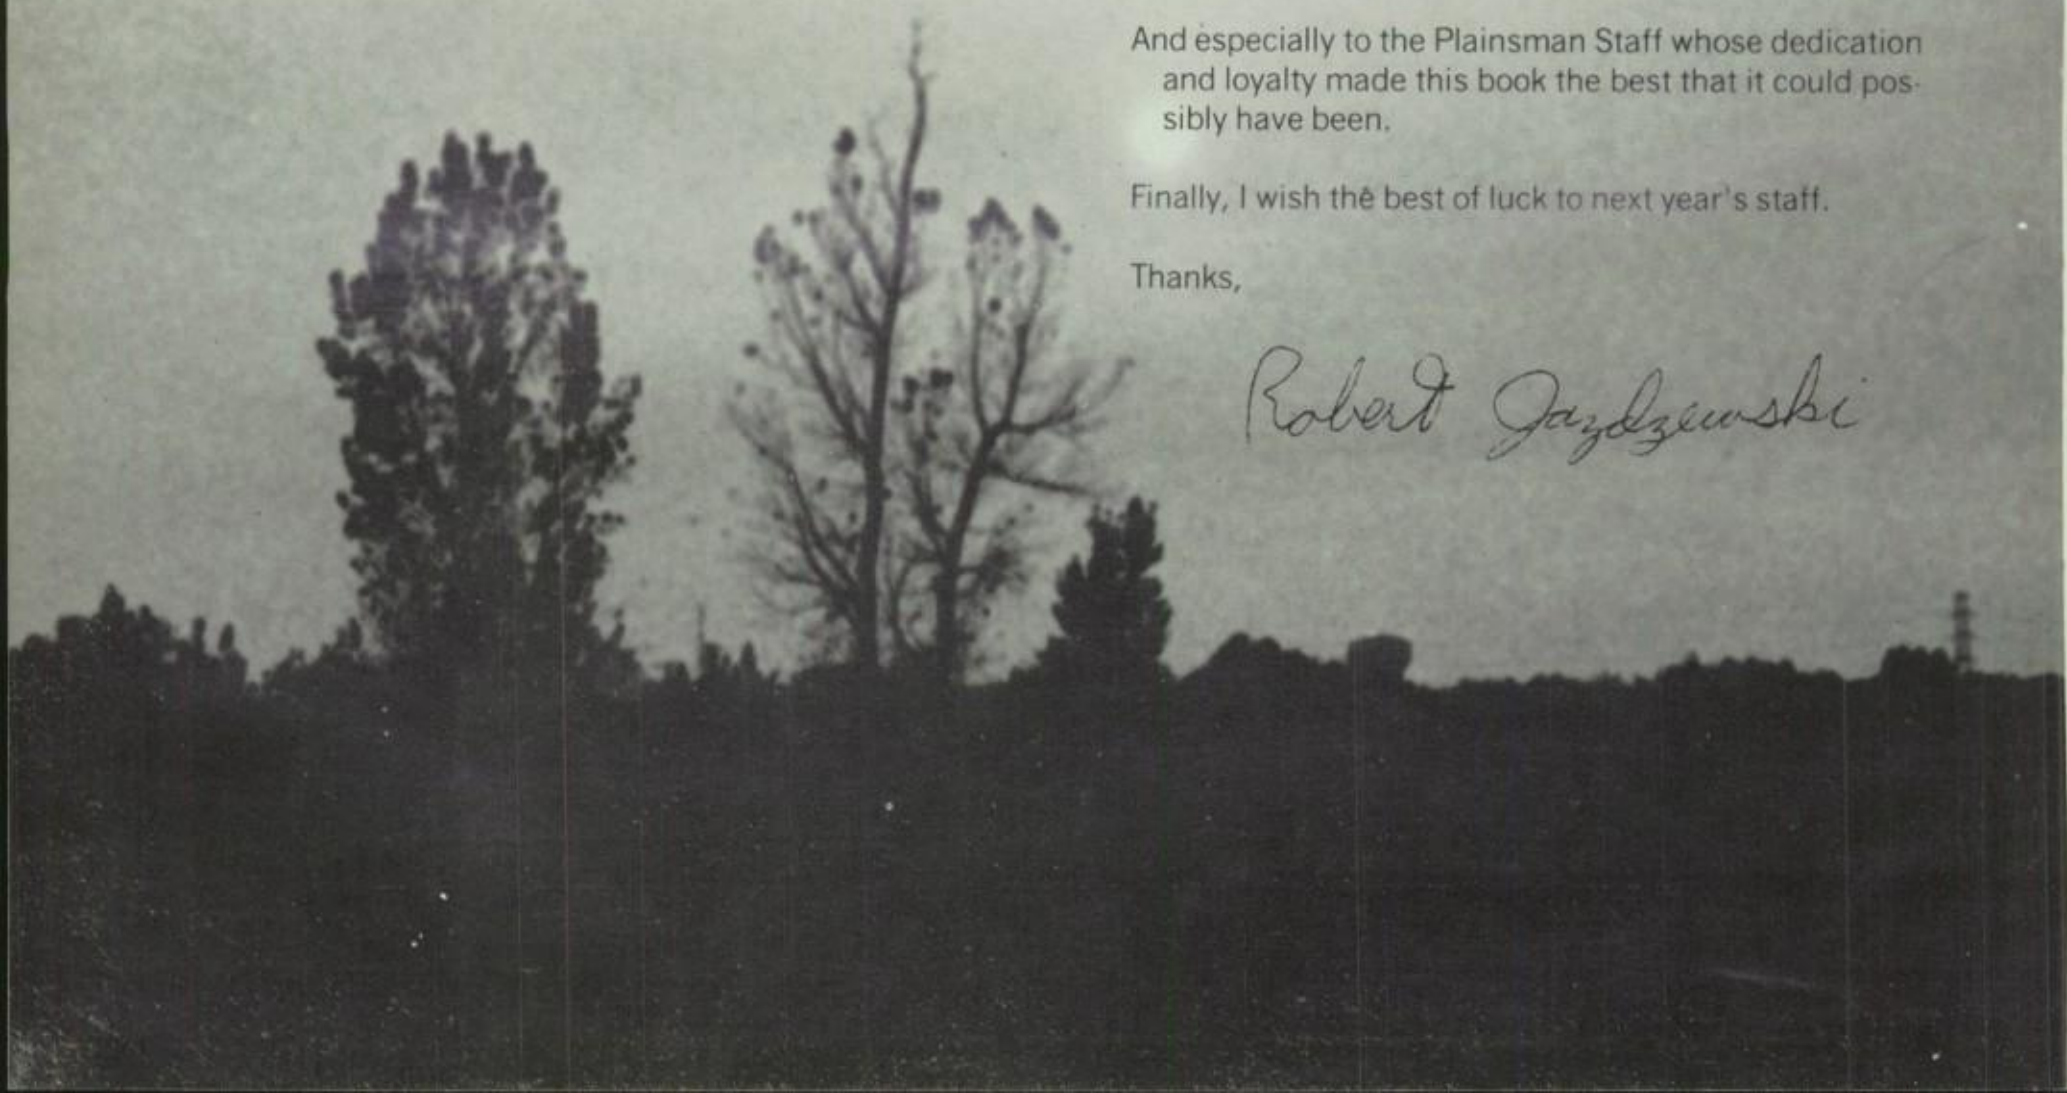

Bro. Dominick Pujia and Sr. Dorothy Ann Schwertman for all the time and patience they gave to me and my staff.

And especially to the Plainsman Staff whose dedication and loyalty made this book the best that it could possibly have been.

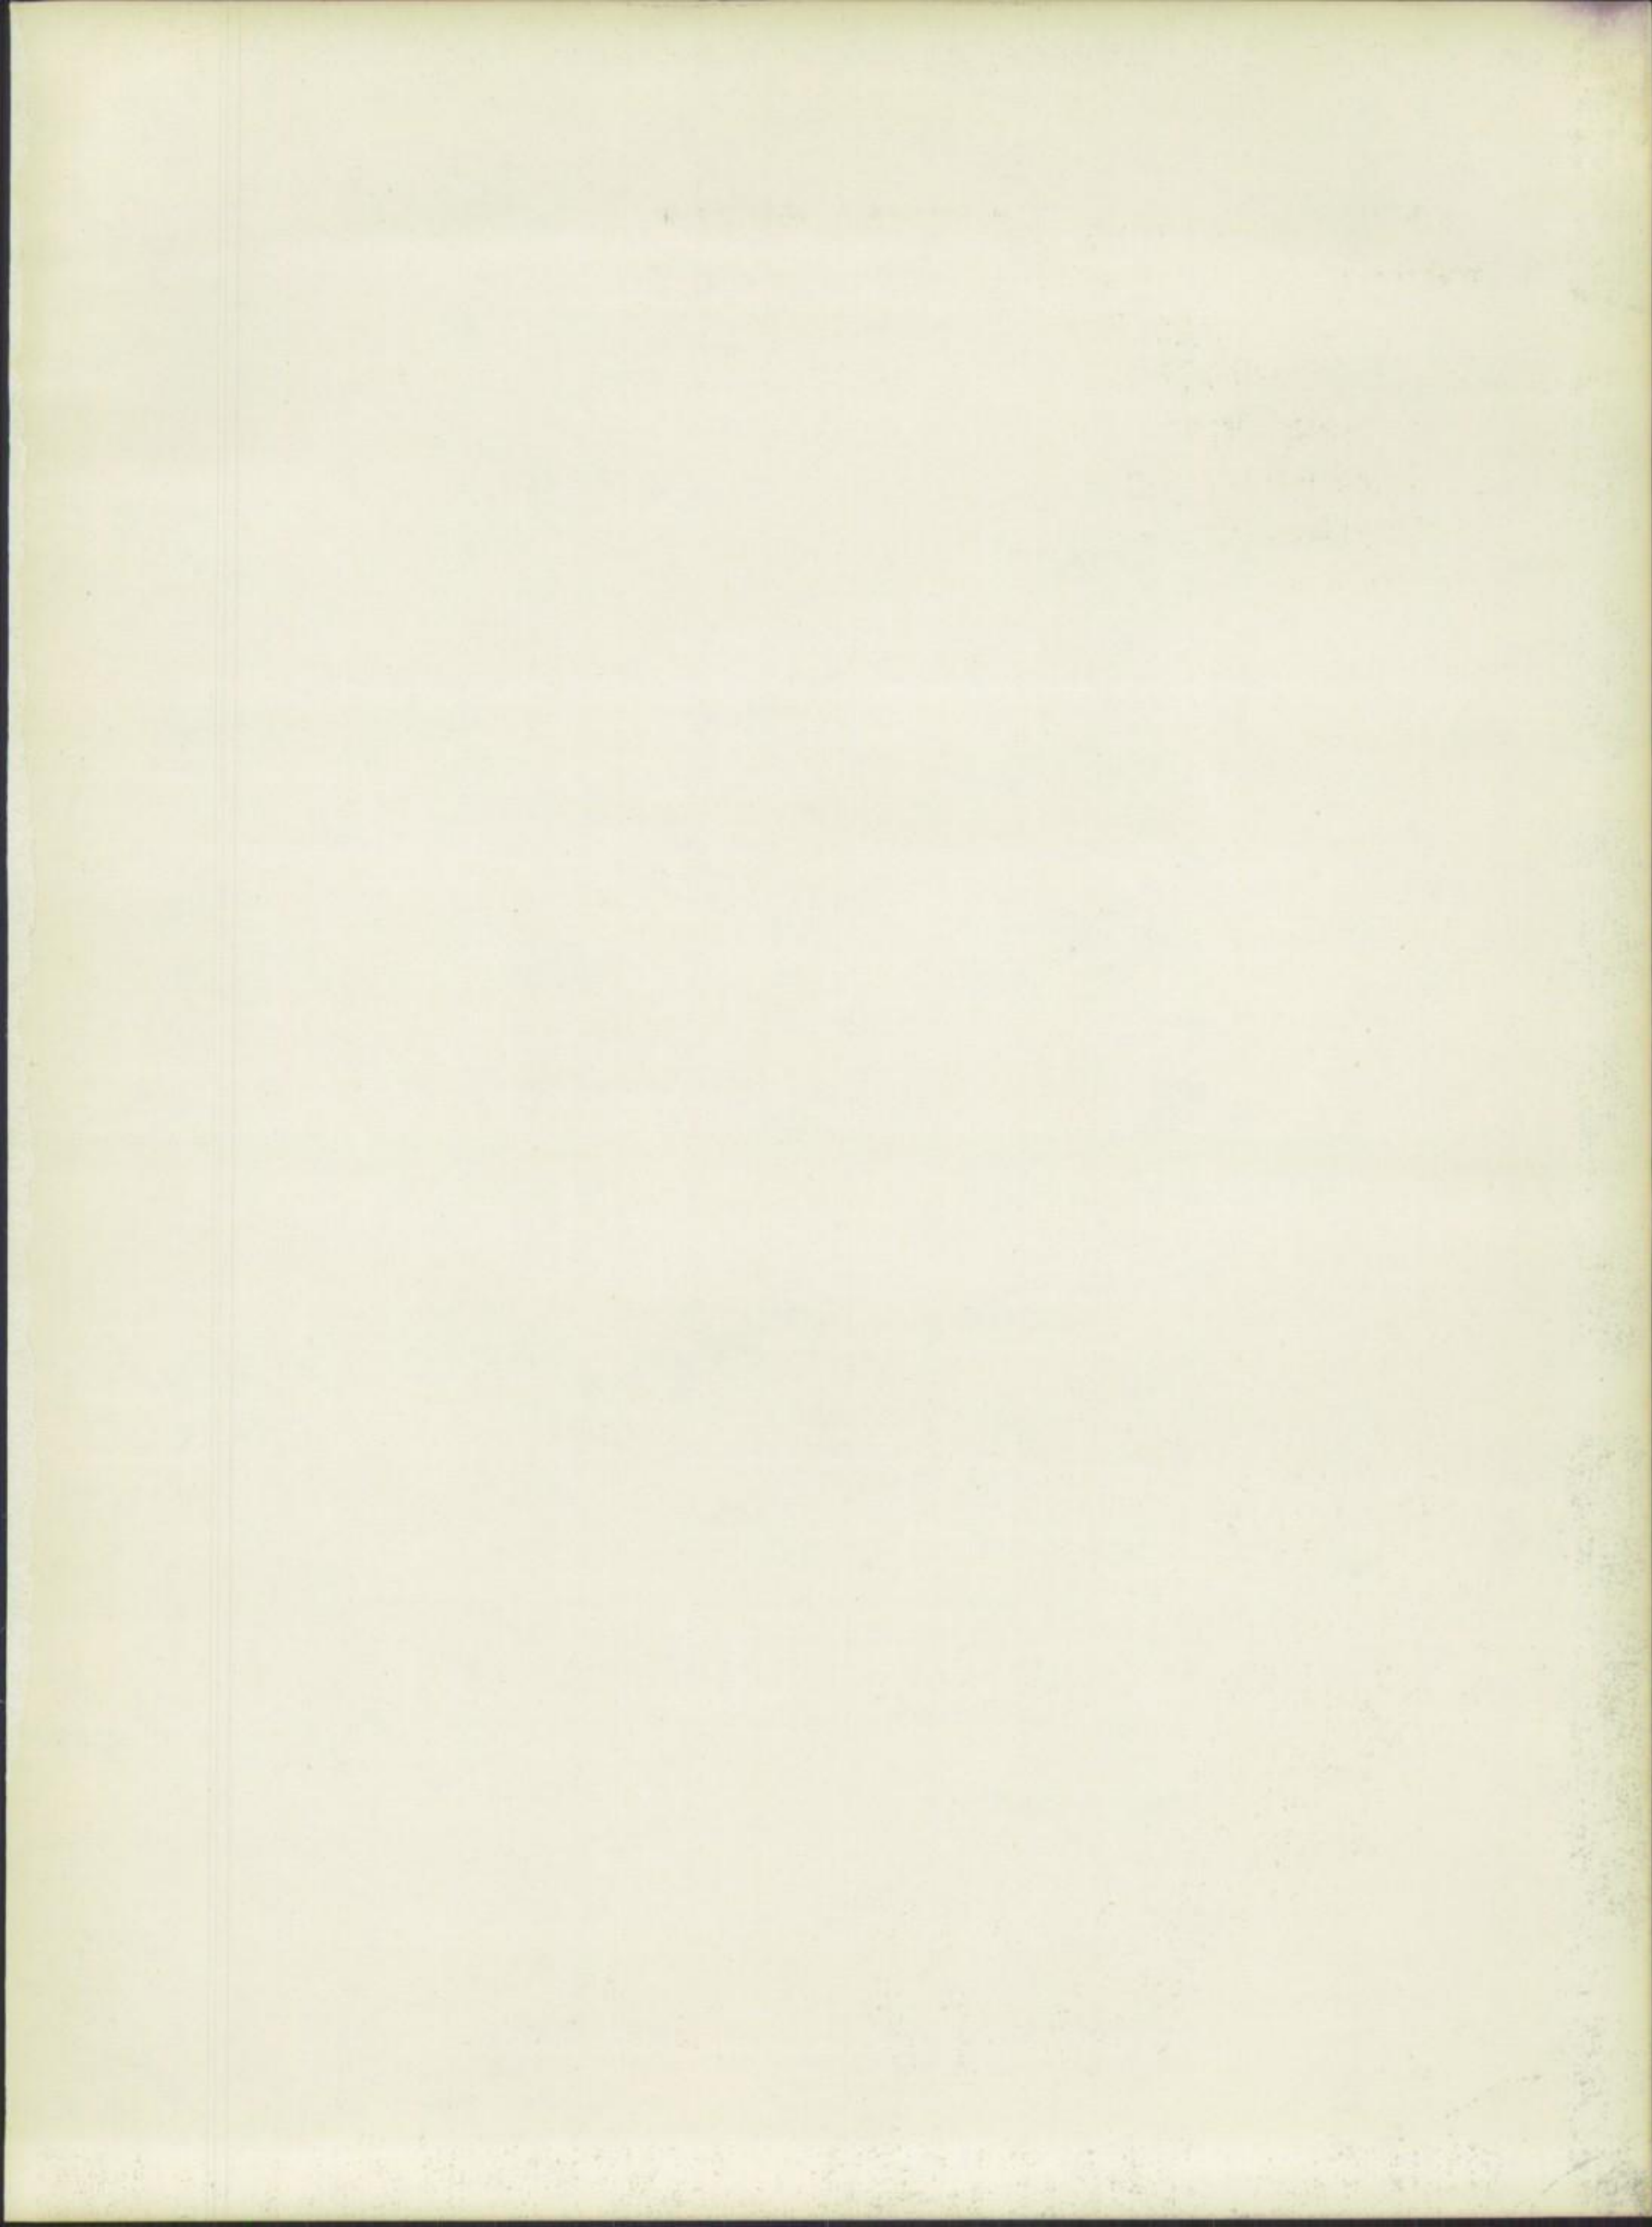

Finally, I wish the best of luck to next year's staff.

Thanks,

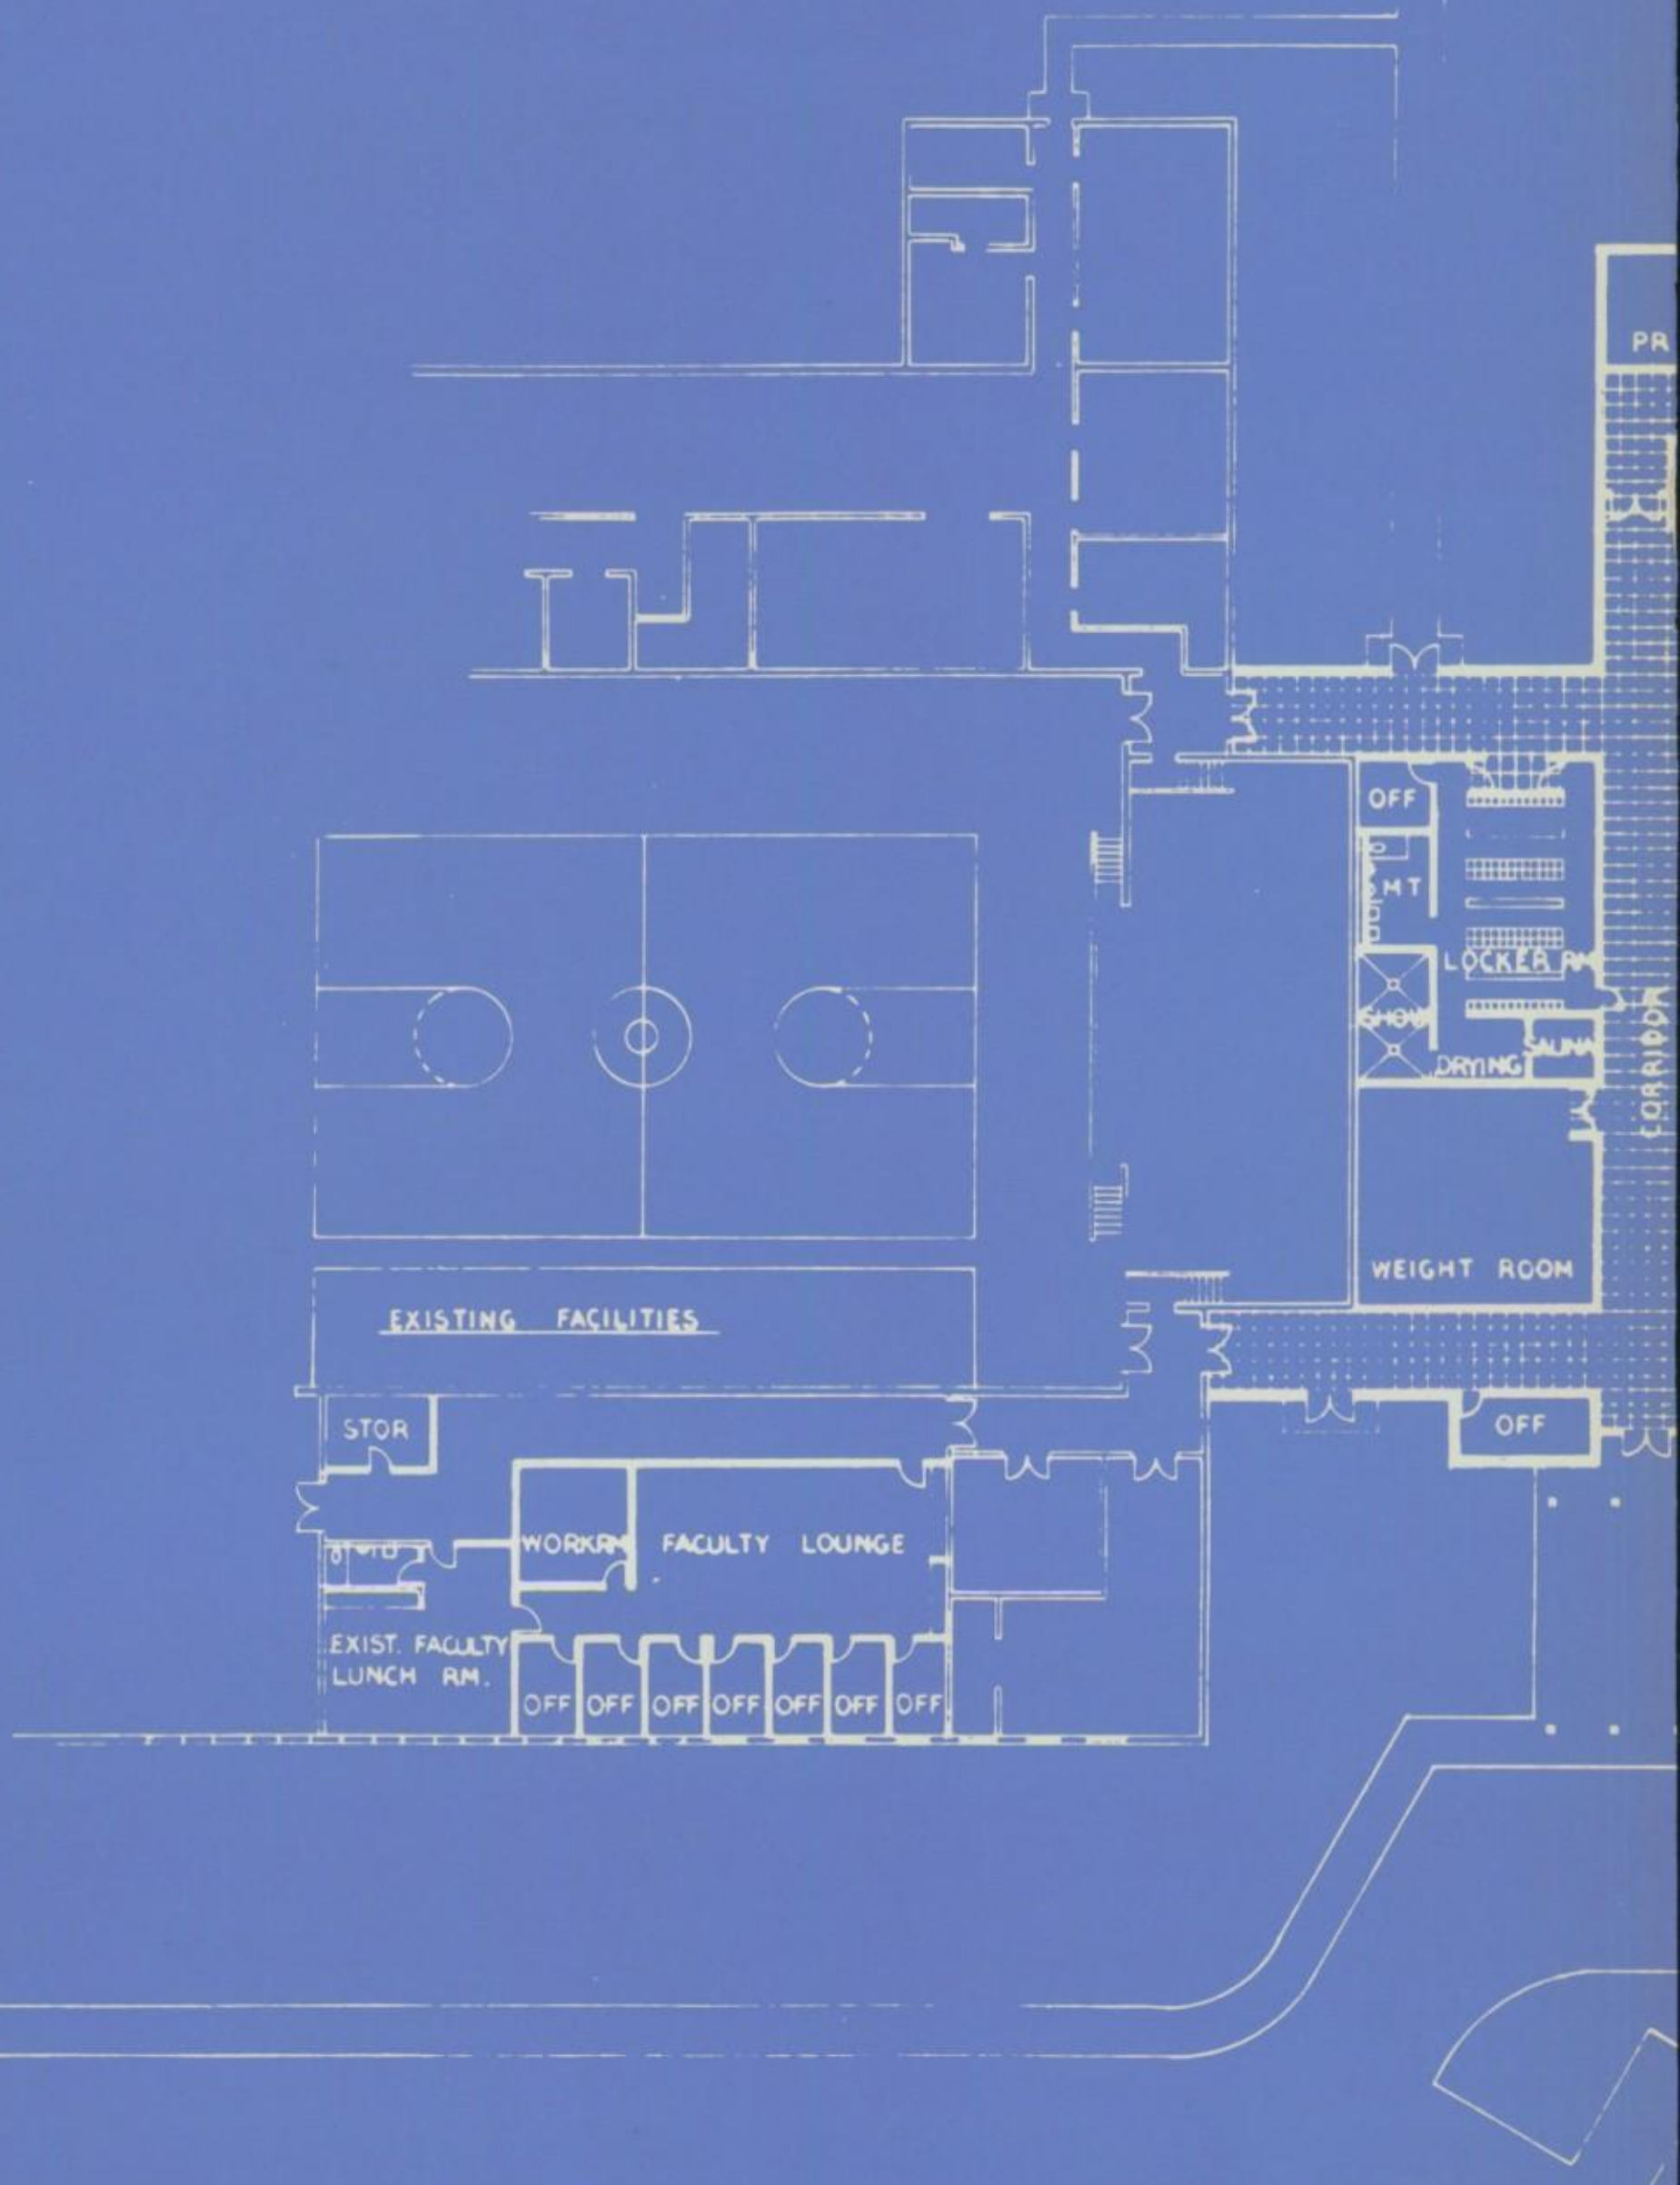

*Robert Jajdzewski*
